

Contract Calls For High-Priced Pumps

**Council Awards Sewer
Repair Work; Cost Of
Dewatering Questioned**

Granite City—broke and in debt for the first time in nearly two decades—will pay premium prices for two lift stations to be used in the replacement of the Aubrey and St. Clair avenue sanitary sewer lines.

Action taken by the city council Monday night in award of the work contract authorized installation of two \$11,400 lift stations called for in the bid specifications; while the existing system has another make which currently sells for \$6,400. The difference of \$5,000 in the bid figure if \$10,000, it was pointed out by several aldermen.

Although the bid specifications called for the more expensive model, a Paklift distributed in St. Louis by Butler & Associates, the Namoki sanitary sewer system was built with Smith-Lovell lift stations which now cost \$6,400.

A. W. Pearson of the city engineering staff told council members the contractor would make a change at his own discretion and lower his bid figure if another type lift station is used. The contract was awarded to H. H. Sebold Co. on a bid of \$159,251.

Dewatering Cost Questioned

Also questioned Monday night was the added cost of a well point system to dewater the area where the new sanitary sewer is to be installed. It was estimated the job would require 100 days, and Sebold listed an amount of \$4950 a month for dewatering.

The second low bid was by G. H. Sternberg & Co. in the amount of \$189,875. The dewatering costs set at \$2900 for the first month and \$2400 for the second.

When questioned if the Sternberg bid would not be lower over the 60-day period, Pearson replied dewatering would be on a cost-plus basis and the figures submitted were merely estimates.

"The contractor was notified these figures would not be considered and that it would be a cost-plus item," Pearson said. He added that Sebold's figure for dewatering was close to the engineering estimate of \$6000.

The engineer's estimate for the construction was \$100,000. The city is seeking \$100,000 from the East Side Levee & Sanitary District toward the cost. Action by the levee board is expected to be taken.

Alderman Estill Van Schmitt presented the bids to the council and pointed out the lowest bid, \$159,251, was made by Nelson Construction Co., had been withdrawn because of a "Complicated Procedure."

It was Alderman Mrs. Gabrielle Bettine, who first questioned Pearson concerning the cost of dewatering. Pearson said it was a complicated procedure and the city would be charged.

BIRTHS

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. Yee Kim, 2803 Warren avenue, July 2, six pounds, nine ounces.
Mr. and Mrs. Marshall Boner, 4332 Namoki road, July 3, seven pounds, one ounce.
Mr. and Mrs. George Fuchs, 2124 Lindell blvd., July 4, Gwendolyn Kay, eight pounds, six ounces.

BOYS

Mr. and Mrs. William Logue, 242 Twelfth street, July 2, Kenneth Wayne, eight pounds, 12 ounces.
Mr. and Mrs. Morris Hawn, 2819 Marshall avenue, July 3, Robbie Scott, eight pounds, two ounces.
Mr. and Mrs. Richard Kemper, St. Louis, July 3, Richard Francis Jr., eight pounds, two ounces.
Mr. and Mrs. Fredrick Knuckles, 1630 Fifth street, Madison, July 4, Ronald Fuchs, 12 pounds, 12 ounces.
Mr. and Mrs. Richard Mendez, 2104 Fifth street, Madison, July 3, Richard Anthony Jr., eight pounds, five ounces.
Mr. and Mrs. Thomas Gibson, Collinsville, July 4, nine pounds, two ounces.

Safe, Sane 4th; 25,000 See Local Fireworks Displays

Fourth of July observances went over with a bang here yesterday with the cooperation of the weather and few mishaps to mar the holiday. State, county and local authorities recorded only minor traffic accidents in the area.

Over 25,000 persons turned out last night to watch the two major fireworks displays in the Quad-Cities area. Five hundred more attended a display at Granite City Engineer Depot.

Wilson Park was jammed to capacity with an estimated 15,000 people. A fireworks display wound up five days of special Fourth of July activity. A record crowd also was reported at Madison.

Automobiles filled all available parking space in the vicinity of the park. Many spectators carried their own car tables and chairs as park tables were occupied all day. Hot, humid weather failed to deter picnickers. Area swimming pools had a record crowd.

Booths were set up where refreshments could be obtained. Besides the concessions there also were carnival rides at the park and in Madison.

No Fireworks Injuries

There were no fireworks injuries reported by St. Elizabeth Hospital, although there were numerous complaints about the use of fireworks in the area. Only one incident involved a child who was burned by a firecracker.

Skippy Hamilton, 13, son of Mr. and Mrs. William D. Hamilton of 5229 Rodage avenue, received a serious bite on his right thigh from a black dog while playing in the yard.

The Granite City humane officer is seeking the dog to observe it for rabies. The boy may have to undergo a long and expensive series of injections.

Complaints started early yesterday afternoon. Policemen were dispatched to the 2400 block of Delmar avenue, the 2800 block of Wayne, the 2800 block of Washington, to Stearns and to Chestnut, the 2800 block of Dale avenue and the 2800 block of Madison between 3:45 p.m. and midnight.

In most cases, the culprits had been warned before police arrived. In two cases the persons responsible are being shot to stop shooting.

(Continued on Page 7, Col. 3)

Designed For Expansion

**Bid Opening For Nestle
Rebuilding Set For Aug. 2**

Construction plans for rebuilding sections of The Nestle Co. instant coffee plant here, with the design including provisions for future expansion, were awarded to three area contractors this week for an Aug. 2 bid opening. It was announced by L. R. Caudrey, local plant manager.

To be erected are two modern design buildings and a second addition to the existing warehouse. New equipment is to be installed in the plant and the local plant at 21st and Madison streets, the most modern of its type in the world. Caudrey said it is planned for the plant to be placed in operation during the first half of 1963.

Industry will pay its share of the cost of Granite City's proposed \$10,000,000 pollution-drainage program, which is to be opened Oct. 2 by local residents.

A breakdown of the annual cost of dewatering, based on Union Street & Refining Co. will pay \$81,000, the top amount, because of the large amount of water used in its processing.

The question of industrial participation in the city-wide program arises at every meeting held to explain the pollution-drainage program. It was originally recommended by the Citizens Sewer & Drainage committee.

The average household, who will pay a \$3.25 monthly minimum charge, can be certain that large water users, dumping huge quantities of treated and untreated water into the new lines, will pay their share.

REPEAT PERFORMANCES

of flooded streets yesterday morning and again this morning called attention to the inadequacy of Granite City's combined storm water and sanitary sewer system. Water at 23rd and Adams streets

(above) was eight inches deep—over the curb and into yards. The city's pollution-drainage program includes installation of new drainage lines along Adams and 23rd streets.

'Petty Politics' Charged

**Eli Ousted; Spengler Named
To GC Police, Fire Board**

Removal of Ernest Eli from Granite City's Board of Fire and Police Commissioners was termed "petty politics" by Alderman Samuel Whitmer, who was unsuccessful in trying from Mayor Davis a reason for the change.

The mayor's only answer was "I have my own reasons." It could be any one of a million personal things, I just decided to make a change."

In Eli's place, Mayor Davis named Robert Spengler, Granite City school board president, to a three-year term and renamed Commissioners Eugene Ellinger, carpenter union official, and Rolfe D. Winters, confectionery operator, to new three-year terms. The mayor also appointed three former members of the abolished sanitation department to operate insect spray machines and a weed mower for the remainder of the season.

When Davis announced his change in appointments, Whitmer first asked if Eli had resigned.

No resignation — "Repaid." "There was no resignation," Davis replied. "He was repaid."

"You fired him," Whitmer remarked.

The mayor took exception to Whitmer's remark, saying, "That's a nasty word; it's better to say replaced."

Why was Whitmer's next question. Davis said, "There's no reason."

"It's petty politics," Whitmer went on. "It goes back last spring to a Democratic precinct committee meeting when a city chairman was elected."

Whitmer said he had asked the council, I heard that an alderman said at that meeting that Eli has to go."

"I don't want any part of bringing politics into the city hall," Whitmer added.

Venice Tax Payments

Now Top \$250,000

Collection of 1961 taxes in Venice township now totals over a quarter million dollars, it was reported today by collector Frank Reinger, who said his staff will continue to accept payments locally through next week.

The collector's office in the former Madison bank building at Fourth street and Madison avenue, is open 9 a.m. to 3 p.m. Monday through Friday.

Reinger said this year's collection is progressing at about the same rate as in past years. The township's total tax bill is \$2,282,082.

Storage Reservoirs

Granite City Steel Co., which is planning to spend \$2,000,000 to \$3,000,000 for its own sewage treatment plant, will be charged \$15,000 a year for the water it dumps into the sewers.

In addition, larger industries will be required to build reservoirs to hold at least a day's water runoff in the event heavy rains overtax the city's drainage system. They would be instructed in such instances to divert their runoff water to the reservoir for a 24-hour period to prevent faster runoff of storm water throughout the city.

This stipulation applies to all firms discharging treated sewage or unpolluted water in excess of seven million gallons a day into the city's sewerage system.

"During periods of precipitation which require the use of the storm water sewers or drainage of storm water runoff or when the city's sewerage system is overloaded, the city engineer will notify the city sewer plant deems it necessary, notice shall be given either by telephone or in writing to disconnect or stop the discharge of treated sewage or unpolluted water into the storm water sewers until notified by the city to resume discharge."

The city's rate ordinance also provides for a surcharge whenever sewage or industrial waste has a suspended solids content in excess of 400 parts per million, determined by tests conducted or supervised by the city. These added rates based on tons per month in excess of 400 ppb are \$18.50 a ton for the first 10 tons, \$16 a ton for the next 40 tons, \$14 a ton for the next 100 tons and \$13 a ton for all over 150 tons.

1962-63 GC Park Budget Of \$208,065 Is Proposed

**Includes Tentative Plan
For Assistant Secretary**

A budget of \$208,065 for 1962-63 has been proposed for the Granite City park district by its commissioners, who have set a final adoption meeting for July 25.

The tentative appropriation figure is \$5501 higher than the 1961-62 budget of \$202,564. Actual expenditures over the last fiscal year were listed at \$153,411 by the district.

Proposed departmental budgets for the coming year are \$26,600 in administration, up \$5529 from a year ago; \$88,738 for parks, down \$9351; \$16,885 for conservation stands, up \$2935; \$25,180 for swimming pool operations, up \$5338; \$27,783 for neighborhood playgrounds, up \$78; \$1535 for sports camps, down \$1322; \$11,764 for Wilson Park playgrounds, up \$1109; and \$8560 for the city district community house, up \$1185.

Building, Purchase Costs

The decrease in proposed spending for parks is due to tentative slashes of \$11,600 for building repairs and \$5000 for park and the softball diamond, and \$5000 for construction of a sand deck at the park pool.

At the same time under the same departmental heading, the installation of new park softball lights (already completed) will add \$2500 to \$2500 in wages and electric power costs will be up \$1600 due to new lights in the park and the softball diamond, and the purchase of new garden equipment will add \$1800 to the proposed budget for parks.

Plans to employ an assistant to the park district administrator budget, in its tentative form. The salary of the superintendent of parks is up \$1500 in the tentative budget, due to the consolidation of that job and the position of director of recreation. All other administrative salaries in the proposed budget remained unchanged from 1961-62.

The purchase of \$9550 in new equipment — coin-operated lockers — was responsible for the increasing budget for recreation for operation of the park's swimming pool. A corresponding drop of \$2500 in wages and bathhouse attendants was noted.

"Playground instructors' salaries are budgeted for \$2000 more than last year's budget, while the recreation director's salary will be up \$1996 tentatively (Continued on Page 7, Col. 6.)

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Emma Jean Knabe, 2808 Buxton avenue; Irene Rudolph, 1518a "Welth" street; Madison; Leona Helman, 1412 Oakland avenue; Mary Chester, 2349 Miracle Manor.

State Upholds County Closing Of Raided Tavern

(Special from Springfield)

Appeal of revocation of the Alibi Lounge liquor license was dismissed late Monday afternoon at Springfield by the Illinois Liquor Commission. Net effect will be that the Madison county tavern building can be kept closed for a year, state officials said.

Dismissal of the appeal was authorized on a motion by Emerson Baetz, Alton, attorney for Harry Branhof, licensee of the establishment at 9401 Collinsville road. It was the scene of a vice raid by sheriff's deputies and state troopers on the night of Feb. 21.

Baetz earlier had submitted a motion that Branhof be permitted to voluntarily surrender his liquor license without prejudice. This was approved by the State's Attorney Joseph R. Bartylak of Collinsville. Baetz' dismissal motion followed.

Those appearing for the appeal hearing, scheduled for the morning but not beginning until after 2:30 p.m., included Baetz, Branhof, former Assistant State's Attorney John Gitchoff, who aided Sheriff George Musso in leading the raid, and Gus Haller, chairman of the County Board of Supervisors and ex-officio county liquor commissioner.

Vice Evidence

The motions took place before testimony was given. The state's attorney's office was prepared to present evidence that prostitution was going on at the tavern building.

The state's commission action sustains the license revocation ordered by Haller and the liquor control committee of the County Board of Supervisors in an earlier county revocation of the Alibi Lounge had been reversed by the state.

The notorious building, formerly known as Club Lu-Lo, is located just east of Fairmont race track. It has been under surveillance prior to the surprise raid, which found 15 persons in the building. Press-Record newsman accompanied the raiders.

Traffic Signal Damaged

A traffic signal at Edwardsville road and 20th street was knocked down Wednesday morning, Charles J. Montgomery, 30, of East St. Louis, told police the truck he was driving began to slide as he was making a turn onto 20th street.

Manhole Covers Pop

The reason for the city's combined sanitary-storm water sewer system builds up tremendously during heavy rains. Howling winds blew manhole covers at several locations. Police were notified of the manhole cover at 20th street and Lee avenue, and a passing Southwestern Bell Telephone Co. serviceman was seen to stop and replace the cover at East 24th and Hill streets.

Other areas of flooding in the Namoki area were Lynch street from the 2800 block east and along Mercer drive, where Alderman Frank Venc arranged for pumps to remove the water to clear the street for a physician to get to the hospital.

The two storms failed to cause major damage, although scattered minor service disruptions were reported by Illinois Bell Co. About 40 individual power failures were reported, and the city's storm water collection lights to flicker momentarily during kickoffs, resulting in a flicker of the city's storm water collection lights to a momentary flicker Tuesday evening which caused street lights in the downtown area to flicker off and on for about 10 minutes.

A spokesman for the power company said that mercury vapor lights are designed to take 10 to 15 minutes to relight after a flicker. Otherwise, the bulbs would blow out, the company officer said.

Burglar Alarms Set Off

Southwestern Bell Telephone Co. reported only a few minor service disruptions. The wind set off burglar alarms at six stations in Granite City yesterday and this morning.

While no major damage from the two early-morning storms (Continued on Page 7, Col. 3)

Rains Flood GC Streets Today And Yesterday

**TV Program Gives
Boys Idea Causing
\$18,000 Blaze**

Five boys ranging from 9 to 11 years of age have been turned over to local juvenile authorities following an investigation conducted Monday afternoon of a fire that caused from \$18,000 to \$20,000 damage Saturday in a home under construction at S. Terrace lane.

Deputy State Fire Marshal Marvin Tedder pointed out that it was the second fire in a week that was touched off by youngsters, and that he has been called to investigate others in Gladstone and Alton that also had been touched off by children. Tedder said the five local boys are to be required to report weekly to juvenile authorities, and he is urging strict disciplinary measures by the parents.

The damaged home belongs to Dr. Ronald E. Fyle, research director at Union Star & Refining Co. It was in the final stages of construction, and the Fyles family would have moved in next week. It is expected repairs will not be completed until September. The family resides at 1921 Ferguson avenue.

A recent television program gave the boys the idea of a secret club. In the television show, a group of boys met in a barn and held a ritual with lighted candles. The barn was burned accidentally.

The local boys saw the program and decided to use the new four-bedroom home for their club house. They entered by means of a ladder placed at an open window.

Hot Candles, Matches

Candles and matches were kept concealed in nearby shrubbery. Smoke and heat ruined the newly-plastered and paneled walls. The fire apparently started in the living room, where a candle was caught fire from a candle.

An investigation was launched immediately by Deputy Fire Marshal Tedder, who was assisted by Granite City police, Sheriff Elijah Kline and Leonard Heidinger, special agent for National Board of Fire Underwriters.

According to authorities, only two boys were in the house when they saw the light of lighting papers and cardboard boxes in the basement and in the rooms. Bits of burned paper were found throughout the house.

The boys believed the fire was accidental. One of the boys said he and his companion got to thinking about what they had seen on the television and went back to see. The fire department was alerted on the scene when the alarm was turned on.

During the investigation Monday, Tedder arrived at the house and three boys who started to run away. When apprehended one of them gave fictitious names for all three. When another corrected the boy, suspicions were aroused.

After subsequent questioning, the boys admitted holding their club meetings at the house and using lighting papers and candles. One of the boys was described as a runaway.

Early Morning Storms Pop Manhole Covers; Cause Sewer Backups

Granite Cityans were confronted with high water problems two mornings in a row with a 1.91-inch rain recorded yesterday morning and 1.65-inch rain this morning.

Both storms, which were accompanied by strong winds and severe lightning, caused little damage, according to police in the local communities. No minor damage complaints were received at Madison and Venice, but Granite City police were notified of high water on East 20th street, Tri-City Park, 23rd street, 26th street, 27th street and in sections of the Namoki area. Manhole covers were blown off by water pressure during heavy rains.

The two downpours once again called attention to the need for additional storm water drainage facilities in the area.

Sewage Backs Up

At a lift station located on street and Clear avenue near Namoki road, sewage water bubbled from a manhole. The odor of sewage was prevalent in the area as the water flowed in the gutters to a catch basin.

During rainstorms, the city's proposed \$10,000,000 pollution-drainage program, it has been pointed out that lift stations in the Namoki sanitary sewer system cannot function properly when the city's combined sanitary-drainage sewers are overtaxed with storm water.

Manhole covers at several locations are blown off by the pump and are filled to overflowing.

Manhole Covers Pop

The reason for the city's combined sanitary-storm water sewer system builds up tremendously during heavy rains. Howling winds blew manhole covers at several locations. Police were notified of the manhole cover at 20th street and Lee avenue, and a passing Southwestern Bell Telephone Co. serviceman was seen to stop and replace the cover at East 24th and Hill streets.

Other areas of flooding in the Namoki area were Lynch street from the 2800 block east and along Mercer drive, where Alderman Frank Venc arranged for pumps to remove the water to clear the street for a physician to get to the hospital.

The two storms failed to cause major damage, although scattered minor service disruptions were reported by Illinois Bell Co. Tax Payments in GC Total \$972,341

Payment of 1961 taxes by Granite Cityans amounted to \$137,830 this week, it was reported this morning by Township Tax Collector Frank Nagelston, who said the collection total now stands at \$972,341.

By the close of the collection period, payments have averaged \$64,800 a day. Sappington, whose office is on the second floor of the city hall is open 8 a.m. to 5 p.m. Mondays through Fridays, and from 8 a.m. until noon on Saturdays. He will continue the local collection through Aug. 1.

The city is offering a 5% commission on all taxes collected locally. After the tax books are closed, the city will pay the collector's office in Edwardsville, the 2% collection fee goes to the city.

Granite Cityans' total tax bill for 1961 amounts to \$3,967,046.

Bids To Be Sought For Resurfacing Terrace Lane

Bids are to be sought for resurfacing 1500 feet of Terrace lane where a new sanitary sewer line has been installed.

Authorization for the bid call was granted Monday night by Granite City council members who pointed out the residents along the street "have been more than patient" for over a year because of a series of sewer breaks, which began occurring early last year.

The street is to be resurfaced with 1 1/2 inch asphalt. No estimate of the cost was given by the city engineering staff.

Approved by the council was purchase of a power lawnmower from Hlava Garage, Madison, on a bid of \$140. Another bid in the amount of \$176 was received from Branscomb Sales Parts & Service Co., Granite City.

The mower is to be operated by a sanitation department employee to cut weeds on city property between sidewalks and curbs. Alderman Rufus LeMaster, chairman of the Sanitation committee, said the present mower is several years old and needs replacing.

Kiwanis Hear Talk By Depot Demolition Team

Two Granite City Engineer Depot ordinance experts were the guest speakers Monday night at the weekly meeting of the Granite City Kiwanis club.

Lt. Addison B. Henry and Sp5 Edward Hoecker are members of an explosive disposal unit that services all of Illinois south of Peoria and the eastern one-third of Missouri. Lt. Henry is the commander of the local unit.

An explosive disposal unit normally is composed of one officer and nine high-ranking non-commissioned officers, the local Kiwanis were told. The experts are specifically selected for their work because of their high degree of emotionally stability and are highly trained.

Their job is to disarm or detonate explosive devices. They are called upon to handle souvenirs from world war I, world war II and the Korean war. They also handle bobby traps, sabotage devices and unexploded bombs or shells, and provide for the safety in transporting or shipping explosives. They train police, auxiliary police, Civil Defense and fire department personnel in the handling of explosives.

In wartime, they explode bombs and mines, destroy ammunition and do cleanup work to render areas safe. An idea of the magnitude of the demolition work can be realized when one considers that 10% of all the aerial bombs dropped on England and Germany during world war II failed to explode, the speaker said. When located, the unexploded bombs must be detonated or rendered harmless by demolition teams.

Many of these bombs were deliberately timed with delayed action fuses or were otherwise bobby-trapped to explode if tampered with.

The speakers said the most dangerous kind of demolition work is the disposal of sea mines.

Early bomb disposal squads during world war II were poorly trained, the speakers said. Schooling was improved until it finally reached its present high level. Personnel are now trained for any type of emergency involving explosives. They are especially trained to handle missile and nuclear type explosives.

A Kiwanis certificate of appreciation was awarded to Lt. Henry for presenting the program.

4 Street Lights, Stop Sign To Be Authorized

Authorization for preparation of a resolution to install street lights at four locations was granted Monday night by Granite City council members.

The lights are to be located in the 2200 and 2300 blocks of Lincoln avenue, the 2900 block of East 25th street and at the alley between Missouri avenue and the Jennison-Wright Corp. plant on 22nd street at the rear of 2200 Missouri avenue.

Also authorized was preparation of an ordinance to place a stop sign at Cardinal and Terminal avenues.

Twilight Optimists Meet, Hold Informal Installation

Twilight Optimists held an informal installation Monday evening at the Den restaurant, with a slate of officers headed by new president A. L. Metcalf taking office.

Immediate past International Vice-President Gene H. Sternberg, the installing officer, gave a talk on Optimism for the 14 members present.

Taking office were: president, A. L. Metcalf; first vice-president, Robert Spengler; second vice-president, Gerald Rosenberg; secretary-treasurer, Arthur Conary; directors, Harold Matson, Paul Seebold, Charles Landis and Dwight Taylor; and alternate director and chaplain, Wilson Andrews.

PRE-HOLIDAY CRASH at Routes 111 and 162 Monday night resulted in injuries suffered by a Collinsville motorist, William Olive, 56, whose auto (above) was involved in a collision with a tractor-trailer truck.

MORE ABOUT Eli Ousted

(Continued From Page 1)

"We're personal friends, and if he wants an explanation, he can come to me," the mayor stated. At the Democratic precinct committee reorganization meeting, Richard Allen won the chairmanship in a contest with Alderman Walter Norn, and at that time it was reported Eli had supported Allen. When questioned last spring about rumors that he would oust Eli, Mayor Davis told the Press-Record he had no intention of replacing him.

Eli, reached Tuesday by a Press-Record reporter, said he had no comment other than, "I've been fired."

Voting for the appointments were Aldermen Walter Norn, Rufus LeMaster, Charles Meyer, Estill Von Schnititz, Mrs. Gabrielle Betine, Samuel Shackelford, Frank Vesel and Robert Johnson, and Mayor Davis added his "aye" vote. Opposing them were Aldermen Whitner and Paul Rutledge. Absent were Aldermen Donald Partney, Casmer Skubish, Steve Basarich, Arthur Waezer, Edmund Bartosik and Joseph Cuvar.

Ex-Employees Rehire
The three former sanitation department workers who were appointed to temporary jobs for the summer months to operate the city's two insect fogging ma-

chines and a weed mower are Burnice Angle and Earl Marti for the foggers and Ogle Smith for the mower.

Mayor Davis explained the men will be employed only for the remainder of the season, which normally runs through September. They were among the 19 sanitation department employees who were discharged June 30 when the city abolished the department in favor of garbage and trash collection by a private firm under a three-year contract at \$147,900 a year.

Arthur Crouch, assistant business agent for Teamsters Local 525, which represents the former sanitation department employees, told the Press-Record he plans to confer with the mayor to determine if the men are to work under terms of the agreement between the union and the city.

National Food Store Sues Up In Second Quarter

N. A. Stepten, president, National Tea Co. announced today company sales for the second quarter ending June 16 totaled \$21,156,129, an increase of 2.6% over a like period for 1961.

Total sales at National Food stores for the 24-week period ending June 16, were \$421,512,969, an increase of 4.2% over the same period in 1961. Net earnings for the 12-week period ending June 16, totaled \$2,353,129, compared to \$2,231,450 for a like period in 1961. Stores in operation at the end of the period totaled 577 compared to 589 last year.

UF Tentative Budget To Go To Board This Month

The allocation and distribution committee of the Tri-Cities United Fund will recommend a \$261,019 allocation to 17 member agencies in 1963, according to UF Executive Director John Salesberger. About \$8000 more than the \$252,803 distributed last year, the figure compares with \$290,250 requested by the agencies.

The committee's recommended figure will be placed before the UF board of directors in mid-July. The directors will add to this figure administration and campaign costs and a pledge-shrinkage allowance, and announce this goal for the October drive.

Agency-by-agency totals, as recommended by Chairman Harold R. Fischer and his committee, are: Boys' Town of Illinois, \$3600; Cahokia Mound Council, Boy Scouts of America, \$39,510; Coordinated Youth Services, \$17,796; Granite City Association for Aid to Retarded Children, \$5000; Health Services Fund \$9000; Illinois Children's Home and County Society, \$2500; Madison County Mental Health Association, \$11,780; Quad-Cities Catholic Charities, \$29,100; Tri-Cities Chapter, American Red Cross, \$27,000; United Service Organization, \$800; Visiting Nurses' Association, \$3300; Young Men's Christian Association, \$53,780; and "Y" Teen Town, \$8325.

This year's recommendation compares with \$234,069 allocated in the first area campaign in the fall of 1957 to 17 cooperating agencies for 1958 budgets. When allocations to individual agencies as percentages of total allocations are considered, the local UF organization placed more emphasis in this year's budget on family and children's services and on recreation than the fund did nationally. Health services, the Red Cross and USO received a lower percentage; the Salvation Army allocation was about the same as the national percentage. These 1962 budget funds were collected in October 1961.

Sweetheart of the Roca Club is Judi Spurrier, who will serve as hostess at the club's summer social events.

Sweetheart Chosen
By Roca Club Members
The "summer sweetheart" of Roca Young Men's Club is Miss Judi Spurrier, a daughter of Mr. and Mrs. Rex E. Spurrier, 2229 East 23rd street, it was announced today.

She is a Candy-Striper volunteer student worker at St. Elizabeth Hospital and a member of Red Peppers pep club, Sigma Gamma Tri-Hi-Y and the Teen-Town Council.

Miss Spurrier will be hostess for all summer social activities sponsored by Roca. Her hobbies include dancing, swimming and water skiing.

The first newspaper story concerning a baseball game appeared in 1853.

At GC Library

Children's Story Hour Program Starts Tuesday

The first story hour of the summer will be held next Tuesday at 10 a.m. in the Granite City public library auditorium. Librarian Mrs. Mary Gene Knufinke announced this week.

Featured at the first hour's session will be a Laurel and Hardy comedy and animated story hour is open to children of kindergarten age or older. Last year's sessions averaged about 150 attendance.

Mrs. Knufinke, assisted by Sandra Fuller, a Granite City high school student, will tell stories, play records and arrange for a puppet show, and acting in which the children may participate.

Improper Lights Charge

John K. Vierer, 18, of 1317 Ponton road, was issued an arrest ticket Tuesday night for having improper lights. Police said the auto he was driving was involved in a collision with another driven by Raymond L. Williams, 24, of Belleville. The accident occurred at Madison avenue and 25th street.

Ex-GC Man's Product Wraps Locomotives

Just as candy bars are protected by wrappers, a research development of a former Granite Cityman, William E. Host, was used recently to encase a 118-ton locomotive for shipment to Greece.

The locomotive, built by a Schenectady, N. Y., firm for shipment to Hellenic State Railways of Greece, was encased in a sprayable, peelable, plastic-like cocoon to protect it from sun, wind and salt water damage during the voyage. When the locomotive arrives, the covering will be peeled in strips, according to a national wire-service story.

Host will be remembered as a teacher of physics and chemistry at Granite City high school about 30 years ago. A graduate of the

Bue Circle Lounge Wins Park Softball Tournament

Alt-Wood 1-0 Victim Of MVP Allen; Spenger Is Consolation Finalist

Blue Circle Lounge of St. Louis, behind excellent pitching in all three of its appearances, won the 14th annual Granite City park district invitational softball tournament here last night, scoring one run in the bottom of the sixth for a 1-0 win over the Alt-Wood Merchants in the tournament's title game.

The St. Louis Metro club got two-hit pitching from winner Bob Allen, who ignited the game's only scoring inning when he led off the sixth with a double. Vern Stout advanced Allen to third with a sacrifice bunt and, after losing pitcher Bob Garner had retired Mel Tippon on a ground out, Ed Heck singled to drive in Allen with what held up as the winning run.

Allen Most Valuable Blue Circle's Allen was named the tournament's most valuable pitcher at the conclusion of last night's title game. In two complete games, totaling 15 innings, Allen gave up six hits, walked one and struck out 10. He also was the winning pitcher in each instance, and received a trophy. Each member of the Blue Circle club also received an individual trophy.

The tournament batting championship trophy, with players who have had eight or more official trips to the plate eligible, will not be awarded until after tonight's contest.

Baker Comes Close Blue Circle's Ralph Baker hit a home run in the bottom of the first inning, but he failed to bring in a run as the Alt-Wood Merchants' first baseman, Jack Terlisner, failed to catch the ball. Baker's home run was the only one of the tournament's 15 innings, including the consolation final Tuesday night between Bue Circle and Alt-Wood. The game was a 1-0 victory for Bue Circle.

Spenger won in thrilling fashion from the Granite City Park District in the bottom of the ninth when Charlie Johannigmer bashed a two-run homer with a two-out base to break a 1-1 tie and give the Insurance 3-1 victory.

Winning pitcher Leo Six allowed a total of nine hits, but worked out of trouble in all but the second inning, when a single by Ron Dillard, infield out, walk and a wild pitch scored one run. The Park club had numerous scoring opportunities, leaving eight men on base.

Lower Howard Lamb, who received starter Ray Huff in the fifth, gave up three hits in 4 1/2 innings, including a double to Jess Ybarra just before Johannigmer broke up the game with his round-tripper.

DeVillie scored early to defeat Eighth Inning Lounge in the first of the tournament's consolation games. Johannigmer, taking advantage of Bill Miller's first inning wildness to tally three times.

A two-base error, four walks and two wild pitches plus Clarence Jomak's single did the damage. Miller served up a home run ball to Ken Heck in the second to make it 4-0 DeVillie.

Eighth Inning scored once in the sixth on Charles Miller's leadoff double and singles by Gene Cuskorsky and Jack Leiman. The club's final run came on Harry Lamanski's solo homer with one out in the seventh.

Walters Are Undoing Although he allowed nine hits, Ed Bonnell went the distance and was the winning pitcher. Miller allowed only three hits, but nine walks proved to be undoing him. DeVillie's Heck, in addition to his homer, also connected for a triple.

DeVillie and Spenger were in the third inning of the consolation final Tuesday when the rains came, more or less blessing in disguise for Spenger, which trailed by four runs at the time. Heck had hit his second homer of the evening with a runner on in the first, but the game will be replayed completely on night beginning at 8:15, provided an early morning shower today does not keep groundskeepers away.

Depot Pistol Team Champion Of Police Invitational Match The Granite City Engineer Depot "A" pistol team has been awarded the team trophy for top performance in the Granite City police department's invitational pistol match. The Depot team totaled 10,809 points out of a possible 12,000 in the matches, which were held over a five-week period in June.

Top individual shooter and winner of the match expert trophy is Sgt. H. J. Firth of the Depot squad, who fired a 2775 aggregate out of a possible 3000. The match's sharpshooter trophy was won by William Mullen of the Granite City Pistol club with a 2772 aggregate score. Gene Pinkerton of the Granite City police department received the marksman trophy with a score of 2578.

Forty-four individuals participated in the meet, which was held on five consecutive Saturdays at the police pistol range. Each Saturday, they fired 20 rounds each slow fire, timed fire and rapid fire.

Finishing in order behind the team champions were the Granite City Pistol club "A" team 10,732, Granite City police department "A" team 10,638, Aloys "A" pistol team 10,325, Granite City Auxiliary Pistol "A" team 9837, Granite City police department "B" team, 9538.

Spaulding Is Feature Race Winner

Wibb Spaulding and Dave Hollis, local stock car drivers, were the 1-2 finishers in the 25-lap modified feature race Tuesday night at the Tri-City Speedway. Chuck Kornwald took third in the main event.

Top three finishers in the amateur features were Glen Brier, John Burris and Bill Field. Clyde Lindeman took the fender-bender event for fastest qualifiers of the evening.

Fender event winners were Bob Jenkins and Harvey Nichols. Amateur race winners were by Better and Bill Blankenship, and super modified heat winners were Spaulding and Hollis.

Spectators were treated to a fireworks display following the race program. Next Tuesday the main event will be a 50-lap super modified feature race.

The losers' third baserunner came in the seventh when lead-off batter Frank Ulett walked and reached second on an error. Baker struck out two in the seventh to bring his game total to 10.

Two "Strike It Lucky" TV bowling shows will be videotaped Saturday morning at Bowland Lane Bowling Center for rebroadcast over KPLR-TV as part of Channel 11's current jackpot bowling series.

Beginning at 8 a.m., bowlers from the area will compete before the TV cameras, taping the first show for presentation at 10 p.m. Saturday and the second for the following Saturday night, July 14.

Bowlers who have qualified for the first show to represent Bowland are Lorene Clark, Gene Toupout and Pete Santagato. Bowland qualifiers on the second show will be Frances Kotsier and Bob Colgan.

Bowland qualifiers can compete for spots on the TV series by rolling three games in open competition at any time. Joachim said. There is no entry fee.

Rain Puts Damper On Heart-Mercer Contest; Roxana Ends Losing Streak

Rain caused the most interesting game on the Inter-City Baseball League's Independence Day schedule—locally, at least—to fizzle out here yesterday, when Wilson Park proved too damp for the traditional July 4th meeting between Mercer Tanager Home and Sacred Heart, both of Granite City.

Things popped elsewhere, however, as four games were played. Roxana's Merchants celebrated the Fourth by winning for the first time in 11 tries this season. The Merchants edged Troy 5-4 in the 12th inning, with winning pitcher Paul Klockenberger turning in a two-run homer.

Moore Lodge of East St. Louis took a hit on McAteer's Glass of the same city in another traditional holiday game between the current Red Sox and Blue division leaders. The Moosemen blanked their East St. Louis drops 6-0 to run their record to 10-1.

Drop To Third Mercer's idea of afternoon, cost that club possession of second place in the Blue loop, as Pocatontas came up with a 7-3 win over Carpenter and cost McAteer's lead over the Braves to the game. Mercer fell to third, 1 1/2 games off the pace.

In the fourth contest, Maryville's Red Sox continued Collinsville's lengthy (8 game) losing streak with an 11-1 win at Maryville.

On Sunday afternoon, Mercer has a chance to close in on McAteer when it plays the Glassmen at Wilson Park. But Pocatontas could move into a first-place tie if Mercer wins and the Braves can down Roxana again.

The Hearts, half a game up on third-place Maryville in the Red division, will tackle first-place Moose Club in East St. Louis. Paul Schuler's team, doubtless would like to become the first club to down the Moose on the playing field this year. Moose Club's only loss was via the forfeit route to Maryville.

Maryville will play at Troy, and the fourth-place club in the two divisions, Collinsville and Carpenter, are scheduled at Collinsville.

Wrestling Card July 13 Features Professionals The Southern Illinois Wrestling club will present an outdoor professional mat show on Friday, July 13, at 8:30 p.m. at Parsons Field in East St. Louis, according to promoter Eddie Gromacki.

The main event will match John Paul Hennings against Hawk. A semifinal bout is scheduled between Taro Mykai and Duke Kosmuka in a tag team match against Lorenzo Parente and Frank Townsend. Judy Glover and Jessica Rogers are scheduled in a girls' match, and the opener will pair Stan Stasiak and Joe Tangelo. Tickets are available locally at Graham's Book Store.

Madison Building Permits Total \$18,300 In June

Construction projects totaling \$18,300, approved by the city of Madison during June, include a \$7,500 improvement proposed for St. Mary's Catholic Church, 12th street and Lee avenue. It was announced this week.

A room will be constructed in the church boiler room, and glass blocks will be installed in the building, a report by Building Inspector Steve Kanan and City Comptroller E. J. Miller showed.

Floyd Wilkerson obtained a building permit for a four-room frame 25x30-foot dwelling at 117 Second street, West Madison. Cost of the structure was estimated at \$600.

Martin Brundage was authorized to have a building at 140 Madison avenue truckpainted at a cost of \$1500.

Mike Kmetz, 823 Iowa street, plans a frame 8x12-foot addition costing \$1400, and Steve Yovanich, 812 Iowa street, will rebuild a wooden porch and install new concrete porch steps and a steel railing at an expenditure of \$1000.

General repairs and replacement of windows, totaling \$500, are planned by Andy Zelenka, 913 Washington avenue. Henry Snell, 2014 McCasland avenue, plans a sidewalk, concrete driveway, new roofing and guttering and a front porch costing a total of \$900.

Many Hard of Hearing Can Hear Tomorrow

With the Quine deaf unit with a simple spring. If you are deafened, bothered by ringing, buzzing, head noises, etc., and are not satisfied with your hearing, try the Quine Hearing Method test that has many say has enabled them to hear well again. You must hear better after making this simple test or you get your money back at once.

Vacationists in the Virgin Islands may purchase \$200 worth of duty-free goods in contrast to the \$100 limitation effective in all other free ports outside the continental United States.

Youth Waives Hearing On Robbery Charge

Ronald Allen Brown, 20, of 903 Bissell street, waived his preliminary hearing Monday in 12th-ward police magistrate court on an armed robbery charge.

He was bound over to the next term of the Madison county circuit court grand jury by Police Magistrate William Traband of Edwardsville and released on a \$5000 property bond.

Brown is accused of taking part in an armed robbery early Sunday morning with four other youths. Booked with Brown were Predester Aaron, 18, of 46 Lee Wright Homes, and Johnny Burt, 20, of 903 Jackson street. Police are seeking the other two.

Pvt. John Jackson, 20, of Granite City Engineer Depot, said he met the five in an Eagle Park tavern and left with them about 6:30 a.m. Sunday. Jackson said he gave them \$2 for gasoline and rode with them in their car.

He said he was taken about two miles along Bond road and robbed of about \$80 after being threatened with a 12-gauge shotgun, a pistol and a knife.

The victim walked two miles to a service station and called the sheriff's office. He identified one of the five youths from photos in the Venice police department files. Brown was picked up and he told police where the weapons were hidden in a St. Louis house.

Alvin Burt may appear before the magistrate today to have hearings and bond set. They were to undergo further questioning before making a court appearance.

Li. Teller To Attend Pistol Instructor Course

Police Lt. George Teller was authorized by the Granite City council Monday night to attend a pistol instructor's course at Camp Perry, O., starting July 25 and continuing for three days. He was allocated \$36 expense money.

Lt. Teller said he plans to stay about 10 days at Camp Perry to participate in national pistol matches and that he will be joined by Cecil Miner, operator of a local restaurant; Orville Hommert, local post office employee; and possibly E. A. Randell, president of the Granite City Trust & Savings Bank.

Lt. Teller is rangermaster for the police department.

Park Seeks Bids On New Station Wagon

The Granite City park district is seeking bids on a new station wagon to replace one presently in use, with bids to be opened at

9:15 a.m. Wednesday, July 11. Dealers are also asked to make the park office in Wilson Park a trade-in allowance on the district's present station wagon.

Bids had been previously sought on a new station wagon but all five received were rejected because of their diversity, according to park board Vice-President Milton Worthen.

Valentine Birgel, 75, Dies In St. Louis

Valentine Birgel, 75, a retired employee of Granite City Steel Co., died at 1:30 p.m. Wednesday at his home, 15 Mignon drive, St. Louis. He had been ill for three months and under medical care for 30 days. His family believes he suffered a heart attack.

Mr. Birgel had been born in Austria. He had lived in Granite City for about 40 years, retiring in 1932 after over 30 years as an oil-unloader for the Granite City Steel Co. open heart department. He was an honorary member of the United Steelworkers of America.

He is survived by a brother and sister-in-law, Mr. and Mrs. Nick (Marie) Berger, St. Louis. His wife, Mary, died in 1938. Further information is given in today's obituary column.

SOCIETY

REINHARDT'S HOLD BARBECUE

Mr. and Mrs. Elmer Reinhardt, 2805 Iowa street, entertained a group of friends at a barbecue July 4 in honor of the engagement of Mrs. Reinhardt's sister, Miss Margaret Kaufman, daughter of Mr. and Mrs. John Kaufman, and Kenneth Henning, son of Mrs. Gladys Henning, all of St. Louis.

ON EUROPEAN TOUR

Mrs. Joseph Agnaveva, 2801 Indiana avenue, is in Europe for a three months vacation. She will visit her daughter, Miss Leatrice Schanuel, a field executive with the American Red Cross stationed in Vienna, Italy, and will tour other Italian cities as well as England, Switzerland and other countries. She plans to return home about Sept. 25 accompanied by her daughter.

Hearing Set For Driver

John Ingram, 56, of 2182 Grand avenue, pleaded not guilty Monday to a charge of failing to yield right-of-way. Police Magistrate Gasparovic set a hearing for July 30 and Ingram was released on \$11 cash bail. He was involved in a minor collision Saturday at Iowa and 26th street with an auto driven by Carolyn Czynkiewicz, 18, of 1821 Madison avenue, police said.

RAIN FLOOD GC Streets

(Continued From Page 5)

was reported in Madison and Venice, one Madison resident reported basement flooding due to failure to plug a drainage line. Some fields accumulated pools of water, and streets also filled at some points due to the intensity of the rain but drained afterward.

Electrical storms both mornings were severe, but there were no reports of lightning striking in the area. However, a Lincoln avenue resident summoned the fire department Tuesday night when he thought a bolt had hit his home. No damage was found by firemen.

Tuesday night's rain interrupted the movie being shown at Wilton Park, and early Wednesday morning the sky appeared to be threatening more rain. However, the rains held off for the annual Fourth of July celebrations.

Youth's Brush With Law Results In 6 Charges

Ronald F. Marks, 18, of Rural Route One, was arrested early Wednesday morning for leaving the scene of an accident, reckless driving, driving while intoxicated, failure to heed a red light and siren, speeding and driving without lights.

While heading north in the 2500 block of Nameoki road, his auto veered toward the center and scraped the bumper of a Granite City police car heading south. No damage was done but Marks failed to stop.

The police car turned around and gave chase, at which time it is alleged Marks turned off his lights and sped away. The police car chased him for approximately two miles.

He was apprehended at Nameoki and Johnson roads, where police said he ran a stop sign there and his auto struck another driven by Robert E. Sturdivant, 35, of 3005 Dale avenue. Marks was booked on six traffic counts and released on \$700 property bond until July 14, at which time he will be given a hearing.

One of the first water birds to return north in the spring is the Canada goose.

Granite City park district's annual summer recreation program. A variety of activities is scheduled at each center each week, with the summer program to run through Aug. 3.

Western Fire Brick Acquired By Missouri Firm

(Continued From Page 1)

Western Fire Brick Co. is one of the oldest firms in Granite City, has been acquired by the A. P. Green Fire Brick Co. through the exchange of an undivided number of shares of stock, according to William S. Lowe, president of the A. P. Green Co. The acquiring firm's main offices are located at Mexico, Mo., with plants in 16 locations in this country and Canada.

Lowe said that Sidney Womack will continue as manager of the Granite City plant. Womack was superintendent of the plant here from 1942 to 1956, and has been general manager since 1956.

James P. Mills of Galveston, Tex., is currently the local firm's president, a position he has held since 1956.

Western Fire Brick was founded here in 1896 by W. W. Hanlon and James W. Mills, who were employees of Granite City Steel Co.

"Production will continue normally at the Western Co. until such time as we have had an opportunity to make a complete analysis of their facilities and their products, and see what improvements may be required," Lowe said.

In addition to its manufacturing plants in North America, the Green Co. operates nine others in South and Central America and one in England.

With license arrangements in South Africa, Germany and Australia, the company's products are now manufactured in 28 locations throughout the world.

The plant here currently has 23 employees.

Identification Convention

Granite City Chief of Detectives James R. Lowder and Detective Ronald J. Vizez will attend the 47th annual convention of the International Association of Identification July 25 through July 26 at the Sheraton Jefferson hotel in St. Louis. They were allotted \$25 expense money Monday night by city council members.

The past, with its guilt, with its hypocrisy and its hollowness, its lying conventionalities, and its pitiful cowardice, shall lie behind us like a museum.

—Henrik Ibsen

MORE ABOUT

1962-63 GC Park Budget

(Continued From Page 1)

is down \$4500 due to job consolidation and the hiring of an assistant.

Summer sports camp costs for 1962-63, were tentatively cut almost in half, with the proposed reduction in staff and number of meals served.

Ball diamond maintenance costs of \$2800 under the Wilson Park playgrounds departmental total were eliminated with the transfer of those costs to the parks department. A new expense under Wilson Park playgrounds will be for the park Clean All softball club, tentatively listed at \$1200.

A proposed \$1000 increase over last year's budget for activity directors at the park community center is responsible for most of the increase in the tentative community center budget.

Estimated receipts for the fiscal year were listed at \$15,352 from concession stands, \$12,180 at the swimming pool, \$940 from neighborhood playgrounds, \$800 from summer sports camps and \$3500 from Wilson Park playgrounds.

TRY A CLASSIFIED AD.

Trustee Board Acts On Funds, Elects Turnbull

Leonard M. Turnbull, 2709 Marshall avenue, was elected president of the Madison County Board of School Trustees after its reorganization Monday night in the office of County Supt. of Schools, Wilbur R. L. Trimpe, ex-officio secretary.

Seated for new four-year terms, before the board reorganized, were two members re-elected on a non-partisan ballot at the April 10 primary election in the county—Karl Monroe of Collinsville and Elmer Ruehrup of Alhambra.

The board, at written request by 22 signers, permitted withdrawal of a petition for detachment of territory from Bethalto Unit Dist. 8 and its annexation to Roxana Community Unit Dist. 1. The petition filed May 24 with Trimpe, was withdrawn for "technical reasons," it was explained.

Investments Planned
The trustees voted authorization to Trimpe to invest in building and loan certificates the "loanable funds" of 22 congressional townships in the county until state enabling legislation, expected next year, permits distribution of the monies to school districts.

Under state law, in effect July

Granite City PRESS-RECORD

Thurs., July 5, 1962 Page 7

1, such funds must be turned over to the board of school trustees until distribution to school districts is authorized. Venice township, however, elected a three-member board to fund commissions at a special election Saturday to handle distribution of the township's \$26,638 "loanable fund" directly to school districts in the township.

The vote in the Venice election, was canvassed Monday by County Supt. Trimpe.

Meet Again Next Week
The county school trustee board is scheduled to meet July 10 at the county courthouse, at which time action is expected on a pending petition for detachment of a two-acre tract in Chouteau Township from Roxana Community Unit Dist. 1 and its transfer into the Wood River Elementary and East Alton-Wood River Community High School Districts.

Turnbull, named to a two-year term as president, has been on the board 12 years.

British sovereigns have been taking the oath at Westminster since 1066.

Twenty-three per cent of the 13,000 U. S. philanthropic foundations are located in New York City.

Miss Edwards Hostess For Class

The King's Daughters Sunday school class of Third Baptist Church met Tuesday evening in the home of Miss Carolyn Edwards, 2539 Edwards street.

The hostess, who is vice-president of the group, presided and Mrs. B. J. Fitzgerald, the teacher, opened the meeting with prayer. Miss Edwards led the devotional service taken from the Book of Psalms and during a business discussion the class planned to send a boy or girl to camp one week, as the month's project.

Games were and refreshments were served. Prizes were won by Miss Edwards, and Miss Marilyn Greenlee.

Games were enjoyed and refreshments were served. Prizes were won by Miss Edwards, and Miss Marilyn Greenlee.

Chairmen Named For Trio Unit Committees

The newly-elected chairman of the Trio Unit of the Madison County Homemakers' Extension Association, Mrs. Charles Buenger, presided Tuesday afternoon at a meeting in the home of Mrs. Harold Rapp, 3200 Wabash avenue, and announced the following chairman appointments: Mrs. Norman Soechtig, Fourth; Mrs. Arthur Roman, health; Mrs. Robert Miller, crafts; Mrs. Ervin Schaefer, citizenship; and Mrs. James Lux, recreation.

Plans were made by the unit to serve refreshments at the Madison County Fair in Highland July 26, and all members were requested to contribute plates and cakes for the event. The group voted to provide subscription to the National Four-H News magazine for Mrs. Edw. Schillinger jr. and Mrs. Robert Bravay, whose Four-H Clubs are sponsored by the Trio Unit. An invitation was extended to members to attend the Local Achievement program of the 58th Club to be held July 20 at 7:30 p.m. at St. John United Church of Christ.

Girls from the Merry Mitchellettes and the 38ers Clubs gave several demonstrations. A team demonstration on "banana bread," was presented by Donna Eads and Paula Shulton, and a Patty Schillinger demonstrated the art of correct table setting. Elaine Kinney prepared a Spanish rice casserole and her sister, Donna, prepared cold slaw.

The major lesson of "Understanding People With Handicaps" was given by Mrs. Norman Soechtig and Mrs. Lawrence Markham. Awards in the games went to Mrs. Elmer Neumann and Mrs. Schillinger jr. Present beside the Four-H members were Mrs. Ervin Monahan, a guest, and Mrs. William Branding. Mrs. Lawrence Markham, Mrs. John Moser, Mrs. Ed Schillinger sr., Mrs. Buenger, Mrs. Eugene Short, Mrs. Soechtig, Mrs. John Harbig, Mrs. Neumann, Mrs. Bravay and Mrs. Schillinger jr.

The next meeting will be in the form of a family picnic Aug. 7 at Wilson Park.

MR. AND MRS. SAMUEL G. MEYER. Their wedding was an event of Saturday, taking place at St. Bernard Catholic Church in Wood River. The bride is the former Nora Lee Longreder, a daughter of Mr. and Mrs. Raymond T. Longreder, of Roxana.

ATTENDS WEDDING OF SON IN CANADA

Mrs. Flora Monroe, 2038 Benton street, has returned from a vacation of three weeks in Canada where she attended the wedding of her son, Charles, and Miss Marion Sheplika. Enroute she visited her brother, Orville Bloodworth in Great Bend, Kan., and Mrs. Jewell Orzole in Seattle, Wash. Before returning Mrs. Monroe toured a number of Canadian cities, including Calgary, Alberta. Her son, a minister, is a teacher in a school in Owassa, Mich., where he and his bride will make their home. He was home for a vacation before the wedding and returned to the north with his mother.

Granite City PRESS-RECORD

Page 8 Thurs., July 5, 1962

MISS SUE SCHLICHTMAN, fiancée of Edward L. Jackson, a son of Mr. and Mrs. Elmer Jackson, 2956 Iowa street. The engagement of the couple is announced by the bride-elect's parents, Mr. and Mrs. George Schlichtman, of Appleton City, Mo.

Miss Schlichtman, Edward Jackson Are Engaged

Mr. and Mrs. George Schlichtman of Appleton City, Mo., have just announced the engagement of their daughter, Miss Sue Schlichtman, to Edward L. Jackson, a son of Mr. and Mrs. Elmer Jackson, 2956 Iowa street.

The bride-elect graduated from Central Methodist College in Fayette, Mo., where she was president of Alpha Phi Alpha, woman's social sorority, and a member of Pi Gamma Mu, honorary social science fraternity. Mr. Jackson is also a graduate of Central College. His fraternity was Sigma Alpha Chi, men's social. At present he is attending the Air Force Officers Training School at Medina Base, San Antonio, Tex.

An August wedding is planned by the couple.

MRS. WALTER DOHT HAS CLUB PARTY

The Get-Together Club was entertained Tuesday in the home of Mrs. Walter Dohrt, 3002 Iowa street. After the noon luncheon served by the hostess, the ladies spent the afternoon at cards and prizes were won by Mrs. Harold Klenje, Mrs. Charles Knecht and Mrs. Clifford Halbert.

The next meeting will be held Aug. 1 in the home of Mrs. Hale bert.

RETURN FROM EAST

Mr. and Mrs. Charles Motts and Mr. and Mrs. Delbert McKissick of Dorra street, accompanied by Miss Peggy Johnson, returned Tuesday from a 10-day tour of the West and visits with relatives. They were guests of Mr. and Mrs. Melvin Emmett, a brother and sister-in-law of Mrs. Motts and Mrs. McKissick in Reading, Pa., and spent some time with a brother-in-law and sister, Mr. and Mrs. Ira Dowell, and other relatives in Eddystone, Pa.

The Cincinnati Red Stockings were the first baseball team to receive salaries and turn professional in 1869.

MR. AND MRS. JOHN COSS ENTERTAIN FOR GUESTS

Mr. and Mrs. John Coss, 2288 Gary avenue, who have as their guests their son and daughter-in-law, Mr. and Mrs. Ronald Coss and their children, David, John, Dan and Gwen Anne, of Santa Fe, N. Mex., entertained dinner guests in honor of the visitors last night. They were Mr. and Mrs. Jack Evans of St. Louis.

Mr. Coss, who has just received a master degree in education at Arizona State College in Tempe, is director of distributive education in Santa Fe high school.

VACATIONING IN OHIO

Mrs. Henry Reimers and her sister, Miss Edna Ploutre, 3333 Johnson road, are visiting relatives in Ohio this week. They are expected home Sunday. Mr. Reimers, who is attending the Shubert convention in Toronto, Can., is also expected home the latter part of the week.

VISIT PARENTS

Mr. and Mrs. Don Chase and daughters have returned to their home in Glen Ellyn, Ill., after a visit of several days with their mothers, Mrs. E. D. Mawdsley, 2282 Delmar avenue, and Mrs. Lee Chase, 2514 Iowa street.

Elkettes Plan Dance In Fall

The July meeting of the Elkettes was held Tuesday evening with Mrs. Martin Schuster, president, in charge.

Mrs. Irvy Fodd, ways and means chairman, reported on the recent amorgabond and card party given by the group and announcement was made of a dance planned for Sept. 29.

Mrs. Andrew Gasparovic jr., Mrs. Arthur Grimm, Mrs. Leacy Tharp, Mrs. Calvin Pendleton and Mrs. Francis Coe were the ladies serving on the hostess committee, and prizes were won by Mrs. John Wilson, Mrs. Ed Yackel, Mrs. Alonzo Sheppard, Mrs. Coe, and Mrs. Schuster. The special award also went to Mrs. Yackel.

The next meeting will be held Aug. 21. Nineteen were present at Tuesday's meeting.

HOLIDAY GUESTS

Holiday guests in the home of Mr. and Mrs. Malcolm Thompson and family, 4170 Breckenridge lane, yesterday were Dr. and Mrs. George Dean, their children, Jim, Mary, Margaret, Martha, George jr. and Bob, and Mrs. Hazel Dennison, all of Edwardsville.

SOCIETY

Picnic For Gideon Society, Auxiliary

Members of the Gideon Society and Auxiliary enjoyed a picnic Monday evening at the home of Mr. and Mrs. William Harris, 2601 Franklin avenue.

Business sessions were conducted by Mrs. R. O. Harrold and James Williams Jr., and the remainder of the time was spent socially.

Those present were Mr. and Mrs. Harrold, Mr. and Mrs. Arthur Beide, Mr. and Mrs. Harris, Mr. and Mrs. C. F. Heiners, Mr. and Mrs. Williams Jr. and children Nancy, Barbara, June and Glenn, and two guests, Mrs. Minnie Compton and Mrs. Ethel Rouland.

CELEBRATE WEDDING ANNIVERSARY HERE

A family party was held this week at the home of Mr. and Mrs. Fred Dettmer Jr., 2254 Boyle avenue, in honor of the 60th wedding anniversary of Mr. Dettmer's maternal grandparents, Mr. and Mrs. George Koehr of St. Louis. Mr. Koehr is 83 and his wife is 81.

Those present, including the children of the couple, seven grandchildren and 10 great-grandchildren, were Mr. and Mrs. Fred Dettmer Sr., Mr. and Mrs. Angelo Hamilos and daughters, Nancy and Janice, Mr. and Mrs. Dettmer Jr. and children, Christine, Debbie and Donna, of this city; Mr. and Mrs. Robert Koehr and son, Philip, Mr. and Mrs. Oscar Piek, Mr. and Mrs. Edward Koehr and daughter, Joyce, and Mr. and Mrs. James Devine and son, Jimmy, all of St. Louis.

REMEMBER YOUR WEDDING AS IT HAPPENED, CALL LAZENBY, TE. 6-2978.

MRS. EDWARD OLIVER, a bride of Saturday, before her marriage at Calvary Baptist Church, she was Peggy Blankenship, a daughter of Eugene M. Blankenship, 4206 Highway 162, and Mrs. Rita Blankenship of West Plains, Mo.

LEAVING FOR EAST

Mrs. Ruth Johnston, Mrs. Pearl Campbell, Mrs. Gladys Gibson and Miss Mabel Stewart will leave Sunday for a vacation in the East. They will spend one week attending the Baraca Philathea worldwide convention in Gettysburg, Pa., and Mrs. John-

ston and Mrs. Campbell will spend another week on a tour of the New England states. Miss Gibson and Miss Stewart will return after the convention.

GAS HEAT HEADQUARTERS, TRI-CITY HEATING, GL. 2-3110.

LEAVE FOR GERMANY

Mrs. Norma Hambleton and daughter, Cynthia, 2800 Washington avenue, left early this week for Frankfurt, Germany, to spend the past two weeks with Mrs. Hambleton's husband, Sgt. Peter Hambleton, who is stationed there for a four-year tour of duty. He has been in Germany the past eight months.

RETURN TO MARYLAND

Mr. and Mrs. Charles Stieker and sons have returned to their home in Baltimore, Md., after spending the past two weeks with Mrs. Stieker's parents, Mr. and Mrs. Thomas Hawks of 3011 Marshall avenue.

WCTU TO MEET

The July meeting of the Woman's Christian Temperance Union will be held at 7:30 p.m.

TRAVELING BY AIR? CALL HOLIDAY SERVICE, GL. 2-3111.

Friday in the home of Mrs. Laura Kent, 2601 Hodges avenue.

DINNER, HONORS

MINISTERS FAMILY

Rev. Frank Pierce, newly-appointed pastor of the Nameo Methodist Church, with Mrs. Pierce, their daughter, Pat, and son, Howard, were guests of honor at a progressive dinner party Tuesday evening.

Appetizers were served at the home of Mr. and Mrs. Nick Azari, 2333 Waterman avenue, and the main course followed at A. L. Frazier home, 2215 Richmond avenue. Assisting were Mr. and Mrs. Erie West.

Others attending were Mr. and Mrs. George Chapman, Mr. and Mrs. Nick Azari, Mr. and Mrs. John Anselm, Misses Joyce Mason, Mickey Azari, Linda West.

Granite City PRESS-RECORD - Thurs., July 5, 1962 Page 9

Linda Schock of Albion, Ill., and the Pierce family.

A dessert course was served at the home of Mr. and Mrs. John Anselm in Collinsville, where the group spent the remainder of the evening.

NAMEOK

MRS VYVYNE DURBIN
1644 VENICE AVENUE — Glenview 2-3389

WSCS INSTALLATION AT NAMEOKI METHODIST

Rev. Frank Pierce, pastor of the Nameoki Methodist Church, conducted a candlelight installation service for new officers of the Nameoki Women's Society of Christian Service on Monday evening.

The meeting opened with a devotion by Mrs. Bess Causey, followed by group singing led by Mrs. Causey.

The newly-installed officers, all re-elected, are Miss Morene Groshong, president; Mrs. Ruth Hancock, vice-president; Mrs. Vivian Gulka, recording secretary; and Mrs. Luan Briner, treasurer.

Several department secretaries and chairmen also were installed. They are Mrs. Ann Haley, promotion secretary; Mrs. William Kirchner, Christian social relations secretary; Mrs. Dorothy Wallace, student secretary; Mrs. Causey, youth secretary; Mrs. Helen Bischoff, children's secretary; Mrs. Paul Baumbach, spiritual life secretary; Mrs. Mildred Nancey, supply chairman; Mrs. Mary Bailey and Mrs. Betty Weston, co-chairmen of church social activities; Mrs. Fay Bess, chairman of literature and publications; and Mrs. Briner, chairman of the Every Member Busy circle. The Lydia circle will name its chairman this fall.

Mrs. Causey was in charge of the evening's program, which consisted of a talk and demonstration on "The Church and Today's Student." She was assisted in presenting the program by Mrs. Briner, Mrs. Haley, Miss Bess, Mrs. Irene Pierce and Mrs. Gulka.

Miss Groshong conducted a brief business meeting, and announcement was made that the program committee will meet tomorrow at 2 p.m. in the home of Mrs. Hancock, No. 3 Frontenac lane.

The Every Member Busy circle will meet at 8 p.m. July 23 at the home of Mrs. Ann Stalcoff, 2117 Lindell blvd., and the next WSCS meeting will be at 7:30 p.m. Aug. 6 at the church.

Mrs. Pierce gave the closing prayer, and refreshments were served by Mrs. Hancock to the new officers and Mrs. Ena Potter, Mrs. Lucille Russell, Mrs. Violet Thornberry and Mrs. Betty Milwee.

LEAVING FOR ARIZONA

A family gathering was held at the Wilson Widows residence at 3316 Franklin avenue, July 4. Mrs. Widows and her daughter, Mary Lou, will depart for Tucson, Ariz., this Sunday.

Dinner was served to Mr. and Mrs. James Widows and daughters, Carolyn, Janet, Valerie and Gail, Mr. and Mrs. William Gaines and children, Gary, Michael, Richard, Diane and Karen, Mr. and Mrs. Raymond Gaines and children, Kenny, Barbara, Brian and David, and Mesdames Anna Madsen, Ruth Feeley and Viola Springfield.

Miss Mary Lou Widows plans to spend two or three months in Tucson before considering permanent residence for health purposes.

MISSOURI VACATION

Jeffrey Hoelter, 13, son of Mr. and Mrs. Al Hoelter, returned to his home, 3012 Wayne avenue, late Sunday evening after having spent three weeks visiting relatives at Camdenton, Mo., and the Lake of the Ozarks.

ENTERS HOSPITAL

Mrs. Frieda Blattner, 1920 Lynn avenue, entered St. Mary's Hospital, East St. Louis, on Sunday. She is undergoing a series of tests and will remain the rest of the week for observation.

SAND PRAIRIE 4-H CLUB MEETS

Mrs. Paul Staydhar was hostess to the Sand Prairie 4-H group Tuesday afternoon in her home, 2713 Washington ave. Mary Wetzel led the pledge to the U. S. flag, and Marcia Barnett led the pledge to the 4-H flag. Reports were given by Nancy Schmedake and Sharon Ronland before the demonstration.

A cooperative demonstration of dog care was given by Marcia Barnett and Carol Ann Biggs, and Jolene Travis showed the proper way to gather a skirt. Marcia Barnett and Donna Staydhar reported on demonstrations they had given to the Isabel Bevier unit of the Madison County Homemakers Extension Association on June 28. Preparation of oatmeal cookies and refinishing of floors were topics of their demonstrations.

The group will take part in County Achievement Days July 19 and 20 and also will hold a bake sale at that time.

Carol Ann Biggs was the afternoon co-hostess, and others attending were Kathy Crawford and Norma Throne.

CALIFORNIA LEAVES

Mrs. Cleo Ahart of Santa Barbara, Calif., left over the weekend for a few days' visit with relatives in Missouri before returning to California. She had been visiting for the last two weeks with her brother-in-law and sister, Mr. and Mrs. Floyd Ahart, 2633 State street. Mrs. Ahart, a former Granite City resident, moved to California several years ago.

Ray Uram Named To USO National Council

Ray Uram, who is associated with the Illinois Power Co., recently accepted an appointment to the USO National Council. It was recently announced by Holger J. Johnson, national president of the USO.

The USO National Council is comprised of 600 leaders who serve in an advisory capacity and help formulate USO national policies.

In accepting this appointment to the council, Uram expressed his appreciation to the local community for its financial support given USO last year. He stated: "When you contribute to USO you help someone you know or someone you ought to know. This is because USO's sole purpose is to provide for the welfare and morale needs of young men and young women in uniform who are standing guard to keep the peace and keep war away from our homes."

Uram stated that with the existence of the military and the recent stationing of troops in Thailand and other areas, "the job we are asking USO to do for us is greater than ever before."

President John F. Kennedy is the national honorary president of USO and Harry S. Firestone, jr. is chairman of the USO Corporation. Adm. Arleigh A. Burke, USN (Ret.), former Chief of U. S. Naval Operations, is serving as 1962 National Campaign Chairman of USO.

Jehovah Witnesses Will Attend Convention

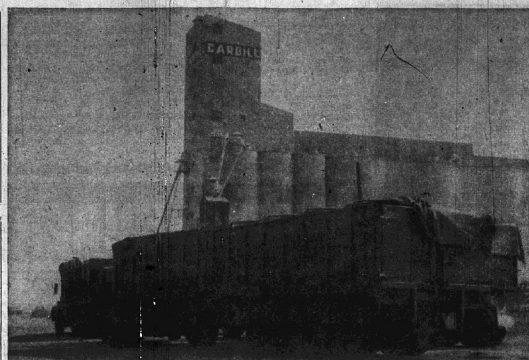

The Granite City congregation of Jehovah's Witnesses has been invited to attend a three-day convention at the Exposition Gardens in Peoria, Ill., Aug. 10-12 according to an announcement by Francis Clanton, presiding minister of the local organization, who will head the delegation of 40 persons from this area.

The convention is arranged by the Watchtower Bible and Tract Society of New York, Inc., legal agency for Jehovah's Witnesses worldwide.

"The purpose of the meeting," according to Clanton, "is to provide additional Bible instruction for Witnesses and to enable them to apply Bible principles more fully to everyday living."

Seek School Supply Bids

Bids are being sought by the Granite City school district on septic tank cleaning, cabinets, industrial arts equipment, radio and television tubes and printing. Deadline will be 4:30 p.m. Tuesday, July 10.

WHEAT SHIPMENTS REACH their peak at the local grain elevator of Carroll, Inc. Huge trucks in the foreground are awaiting their turn at the unloading bin in the background at night, while an empty truck returns from the bin. Upon reaching the bin, the trucks are raised by a hydraulic lift and their contents quickly dumped.

Fire Destroys Station Wagon, \$1000 Loss

Fire gutted the interior of a ranch wagon parked at 2805 Edwarsville road Wednesday night. The vehicle, owned by James Watts, of 3243 Franklin avenue, was virtually destroyed. Firemen say faulty wiring may have been the cause. Windows had broken from the heat and the interior was destroyed before firemen were called. Approximately \$1000 damage was done to the car and some things were damaged on the adjacent house. The car had been parked in an alley.

Firemen answered an alarm Tuesday night to the home of Leroy Morris, of 2616 Lincoln avenue. The occupants thought lightning had struck the house. Firemen found no damage, however.

Ankle Injury Treated

A Granite City boy, William Haynes, 1315 Lindell boulevard, was admitted to St. Elizabeth Hospital at 10:15 p.m. Tuesday. He was treated for an injury to his left ankle, suffered while playing baseball. A splint was applied, and he was released the next day.

Granite City PRESS-RECORD

Page 10 Thurs., July 5, 1962

Venice Park Tax Levy Adoption Is Tonight

Members of the Venice park board will meet at 7:30 tonight to pass a tax levy ordinance for parks and playgrounds. The levy is expected to total the same amount as the park district's appropriation for 1962-63, or \$68,894.

Of that amount, \$46,074 will be for corporate purposes, \$19,510 for the recreation program fund, and \$3300 for municipal retirement.

Secretary School Graduate

Miss Carol Jeanne Murphy, a daughter of Mr. and Mrs. Chester Murphy, 4107 Breckenridge lane, was graduated recently from Miss Hickey's School for Secretaries in St. Louis. Miss Murphy was one of 52 young women who took part in a special graduation ceremony and luncheon at the Chase-Park Plaza Hotel. The certificates were awarded by Miss Hickey, founder-director of the school and editor of the public affairs department of The Ladies Home Journal.

L. Merle Cooper, 60, Dies Suddenly Monday

Lester Merle Cooper, 60, a toll-collector for the city of Venice, died at 11:30 p.m. Monday at St. Elizabeth Hospital where he had been admitted half an hour earlier.

He had left his home at 208 Abbott street, Venice, about 10:30 p.m. to go to work. He stumbled and fell at the Broadway crossing, but walked as far as the collection station.

When he appeared ill he was taken to the hospital. His family believes he may have suffered a heart attack and an inquest will be conducted by Deputy Coroner Francis Lahey.

Born in Winona, Mo., Mr. Cooper had lived in Venice for 38 years and had been employed by the city as a McKinley Bridge toll collector for about four years. He held membership in the Venice Odd Fellows and Venice Lions Club.

He is survived by his wife, Mrs. Jessie Cooper; a son, Walter G. Edwardsville; a daughter, Mrs. Ralph (Melva) Payne, Granite City; his mother, Mrs. Lucy Cooper, Venice; a brother, Dolph, Venice; a sister, Mrs. Walter (Mabel) Baker, Fairmont City, Ill.; and two grandchildren.

Services were conducted today at a Madison funeral home. Further information is given in today's obituary column.

SEWER WATER bubbling out a 15-inch sanitary sewer line manhole at the St. Clair avenue lift station near Nemacook road during yesterday morning's 1.91-inch rain. Sewer odors were prevalent as the sewage water flowed in the gutters. The city's pollution-drainage program is designed to prevent such backups.

Horace S. Earney, 78, Dies After Long Illness

Horace Sims Earney, 78, a retired member of Local 397, International Laborers and Hod-carriers, died at 1:30 p.m. Monday at St. Elizabeth Hospital where he had been a patient for eight weeks. Before entering the hospital, he had been under medical care for a week at his home, 3505 Kirkpatrick Homes.

A native of Steelville, Mo., Mr. Earney had lived in the Granite City area about 39 years.

He is survived by his wife, Mrs. Clara E. Earney; a son, Howard of Edwardsville; three daughters, Mrs. John (Georgia) Clover, Steelville, Mo.; Mrs. Louis (Anna) Dulok, Wentz, Tex.; and Mrs. Frank (Laura) Phaneuf, Warren, Mich.; two brothers, James P. Maplewood, Mo.; and Edward L., Granite City; and 13 grandchildren.

Services were conducted this afternoon at a Granite City funeral home. Further information is given in today's obituary column.

UF Committee To Meet

A meeting of the Tri-Cities area United Front executive committee will be called for next week by Dr. Harold M. Kaiser, UF vice-president, to discuss administrative items. Kaiser returns tomorrow from a vacation trip.

AUTOS PROCEED CAUTIOUSLY through storm water which flooded East 20th street at Quincy and Park avenues yesterday morning and again this morning. Included in the city's proposed \$10,000,000 revenue bond issue, to be voted on Oct. 2, are new drainage lines in this area.

BUMPER DEEP IN WATER is this auto parked on Granite avenue near 13th street in the Tri-City, Park area. The water is over curbs and sidewalks as a result of rains yesterday morning. Under the city's pollution-drainage program, new drainage lines are to be installed in Tri-City Park.

INDIAN "MEDICINE"

"Medicine" of the Navajo Indians invokes ancient curing ceremonies. A beautifully wrought sand painting is made and the medicine man touches various symbols in it and then various parts of the patient's body. At the end of the ritual, the sand painting is destroyed and with it, the Navajo believes, goes the illness.

Cooks And Waitresses Authorize Strike

A strike vote was taken Monday afternoon and evening by members of Cooks & Waitresses Union, whose business agent, Mrs. Helen Peters, was instructed to confer with an attorney in an effort to arrange a negotiating session with the Restaurant Owners Association of the Associated Retailers.

Mrs. Peters said the strike vote was approved 10-to-1 by the 60 cooks and waitresses who attended the meetings at the La-

Granite City PRESS-RECORD

Thurs., July 5, 1962 Page 11

bor Temple. A 10-cent an hour increase was sought under a wage opening clause in a two-year contract that expires next June 1. However, the demand has been raised to five cents for cooks receiving \$1.28½ an hour and waitresses who now are paid \$1 an hour. Mrs. Peters said. In addition, the restaurant owners pay \$7.78 for health and welfare benefits.

About 200 cooks and waitresses are employed in local area restaurants.

Citizens Urge County Board To Back Zoning Unit

Support of the County Zoning Commission in its efforts to conduct public hearings on zoning has been urged by the Madison County Citizens Planning Committee in letters to the members of the County Board of Supervisors. It was learned today from G. W. Hoelscher, Granite City, committee chairman.

"Citizens' threats, heckling and abuse" of commission members by "a small group of antagonists" at the hearings, the committee points out in the letter that, in the Quad-City area alone, 18 organizations with 25,025 members have urged adoption of a zoning ordinance. The program is intended to encourage orderly growth of unincorporated areas of the county.

Hoelscher told the Press-Record it has not yet been determined whether the County Board will wish to have the Planning Committee attend the July 18 board meeting to discuss the issue.

Eighteen hearings have been held, with six still remaining. After they are completed, the County Zoning Commission created by the Board of Supervisors will submit its recommendations to the board for possible adoption of a zoning ordinance and related maps showing the boundaries of zoning classifications.

Long Efforts For Zoning
The text of the letter follows: "The Madison County Citizens Planning Committee, a volunteer organization in existence for more than 15 years, Chambers of Commerce, real estate boards,

labor unions and many other groups have long sought a zoning ordinance for Madison county. In response to actions of these groups, the Board of Supervisors employed the firm of Evert Kincaid and Associates, Inc., to prepare a zoning plan. Since the plan was prepared in keeping with Illinois law, public hearings have been held in various townships throughout the county by the Zoning Commission. This commission was created by the Board of Supervisors.

"The commission has been subjected to threats, heckling and abuse in these hearings by a small group of antagonists who promoted opposition at the hearings and have appeared at each and every meeting whether held in their township or not."

"The Madison County Citizens Planning Committee feels the Zoning Commission deserves the support and backing of the Board of Supervisors."

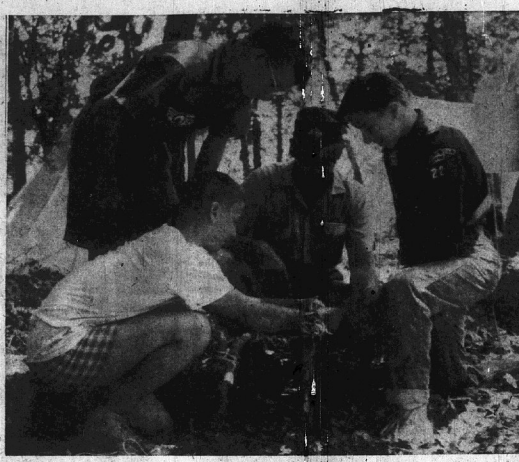

Future At Stake
"The county's future, economic security, tax base and orderly growth depends upon zoning law for its best use. The County Board recognized this fact when the commission was created and the plan started."

"The Madison County Citizens Planning Committee at its meeting May 5 unanimously agreed that we should call this matter to the attention of the Board of Supervisors and request the board to express its support of its Zoning Commission."

"We include with this request a partial list of organizations which have urged approval of the zoning plan. The Madison County Citizens Planning Committee continues to offer its services and assistance to the Board of Supervisors and to its commissions in this area for county improvement."

Organization listed, in addition to the Planning Committee, are the Beta Sigma Phi sorority's Theta Theta chapter, Quad-City Amvets Post 51, Tri-City Trades and Labor Council of the AFL-CIO, Quad-City Ministers Association, Long Lake Post 187 and its Auxiliary, Chamber of Commerce, Associated Retailers and Merchants Association, Venice - Madison American Legion Post 307, Granite City and Madison Rotary clubs, Granite City Kiwanis, Venice Optimists, Daybreak Opus-Mrs. Lions, Granite City Real Estate Board and National Secretaries Association Tri-City chapter.

California leads all states in the Union in both car and truck registrations with its more than 61,550,000 cars and 1,136,000 trucks.

BOY SCOUT CAMP activities

The lower photograph shows firebuilding instruction being given by Willard Hicks (standing, left, scoutmaster of Long Lake volunteer fire department Troop 23, and Gene Sternberg Jr. (standing, right), staff instructor. The scouts are Charles Polley (left) and Willard Hicks Jr. In the top picture, pioneering and campcraft hold the interest of (left to right) John Ortolano, senior patrol leader of Maryville grade school PTA Troop 96, Stewart Ozier (standing), an instructor, Troop 96 Scoutmaster Cecil Hennow and Junior Assistant Scoutmaster Lynn Mitkos.

Broadway Collision

Extensive damage was reported in a collision at 12:35 p.m. Wednesday on Broadway at Market street, involving out-bound autos of Willis Crowe, 2817 1/2 Herbert street, and James W. Tovalet, Evansville Ind. Tovalet stopped to allow a vehicle in front of him to turn left, and the rear of his car was struck by the front of Crowe's auto, Venice police were informed.

Speeding Arrests

Two motorists were arrested speeding on separate occasions in Venice yesterday afternoon. They were Joe W. Young Jr., 1128 Calhoun street, and Frank Koster, 2529 State

street. Each was released on bond until a hearing July 16.

Light Holiday Traffic Toll In This Area

The Quad-Cities experienced only a slight traffic toll over the Independence Day holiday. State police reported no highway crashes in this vicinity during the entire 24-hour period yesterday.

For this week, the tallies are four injuries in four accidents, plus 12 other mishaps in which the occupants escaped unhurt. A girl was injured Monday afternoon when two automobiles collided at the intersection of Nameoki road and Highway 162. The drivers were Frank H. Huettner, 42, of 1728 Olive street, and Gary L. Debus, 18, of 2803 Washington avenue. Deborah Bracemont, 10, of 1905 Joy avenue, a passenger in Huettner's auto was treated at St. Elizabeth Hospital for contusions to her face and left hip. She was a Soldier Hart in Crash.

Philip J. McKrough, 26, of Granite City Engineer Depot, was injured early Wednesday morning when the auto he was driving struck a parked car at 2317 Walsh street. The parked vehicle was owned by Wilson W. Whittington of that address. McKrough was treated at the depot dispensary.

A Collinsville motorist, William Olive, 56, was injured about 9:15 p.m. Monday when his auto was involved in a collision with a tractor-trailer at the intersection of State Routes 111 and 162.

State troopers said Olive was traveling south on Route 111, while the truck was being operated west on Route 162 by Horace J. Edwards, 48, of Indianapolis, who escaped injury.

Woman Motorist Hurt
Mrs. Margaret Jones, 44, of 1001 Reynolds street, Madison, was injured this morning when the auto she was driving went out of control, crossed State street in the 1800 block, jumped the curb, knocked down a parking meter and struck a parked auto owned by Fred W. Koop of 1840 State street. She was admitted for observation at St. Elizabeth Hospital and treated for lacerations of the face.

Used Lumber Burns
No damage estimate was made by the Madison fire department after a blaze was extinguished in a yard at 822 Franklin street, West Madison, at 4 p.m. Tuesday. A trash fire had spread to a pile of used lumber there.

Lester Infant Dies In St. Louis Hospital

Lorrie Ann Lester, two weeks old, died at 4:20 p.m. July 3, at Cardinal Glennon Hospital, St. Louis. She had been a patient for nine days. Her mother lives at 2550 Hillside Lane, Florissant. Her father, William L. Lester Jr., recently moved to Birmingham, Ala. to assume a position as a restaurant manager.

The infant was born in St. Mary's Hospital, Clayton, Mo., and is survived by her parents, Mr. and Mrs. William L. Lester Jr.; her paternal grandparents, Mr. and Mrs. William L. Lester Sr., Florissant; and her maternal grandparents, Mr. and Mrs. Carl Horstmeier, Granite City.

Further information is given in today's obituary column.

Services from MERCER FUNERAL HOME, Chapel, 1416 Niedringhaus avenue, p.m. Friday, July 6, Interment St. John's cemetery.

Arrest, Injury As Party Marks Close of Tavern

A champagne party held to mark the closing of the Jolly Mill tavern, 12th street and Madison avenue, Monday afternoon and evening resulted in one arrest and injury to one of the guests, Mrs. Wilma Schofield of Granite City.

Suffering cuts to the nose and right cheek and the interior of the mouth, she signed a warrant charging assault by another guest, Lloyd Earl McCoy, 25, of 1008 Wilson avenue. The incident occurred at 4:30 p.m., and the arrest took place four hours later in Granite City, where McCoy was picked up and turned over to Madison authorities.

McCoy was booked and then released to appear for a hearing at 11 a.m. Saturday. He is alleged to have struck Mrs. Schofield with the back of a hand while she was drinking from a glass. The glass broke, inflicting the cuts, it is charged. Inquiry by police showed that

Granite City PRESS-RECORD Thurs., July 5, 1962 Page 13

the proprietors decided voluntarily to go out of business effective June 30. Jack Cook, 1200 Grand avenue, one of the partners, then planned a private party at the place Monday, utilizing beverages still on hand there and also bringing in champagne. About a dozen people were invited. Cook later left on a fishing trip and is still out of town, police said.

GC Steel Gets \$81,600 Defense Dept. Contract

Granite City Steel Co. has been awarded an \$81,600 defense contract for the supplying of 841,254 pounds of galvanized and corrugated roofing and siding, it was announced today.

The contract was awarded by the Defense Industrial Supply Center of Philadelphia, an element of the Defense Supply Agency, Washington, D. C.

Contract Calls

(Continued from Page 1)

only when the well-point system was in operation.

"We have no way of knowing what a contractor considers adequate for a well point system," Pearson said. "The water table is high and it will take a big system. That's why the figures are not included in the total."

Alderman Paul Rutledge remarked "This gets confusing." Rutledge went on to question the need for the expensive lift stations. "It appears that it would be better to have all of one kind to keep down maintenance costs and the need to keep different types of parts on hand."

"I'm concerned that the specifications were set up to add for the high price lift stations," Rutledge told Pearson.

Pearson said the specifications that went into the bid call were furnished by the lift station firm, Butler & Associates of St. Louis.

Calls For Savings

"We should analyze these lift specifications," Rutledge pointed out, "and we could save the city \$10,000 on the cost."

Pearson, in answering a question by Rutledge, replied that the present system does contain the Smith-Lovess lift station, but added that the bidder could install other pumps at a savings.

Granite City PRESS-RECORD

Page 14 Thurs., July 5, 1962

Mayor Davis told council members to make up their minds on the contract award. "It will be up to the engineer department to watch."

With 10 aldermen present, voting for award of the contract to the Seebold company were Walter Nomm, Rufus LaMaster, Charles Meyer, Schmittou, Samuel Whitmer, Samuel Shickelford, Frank Vesel and Ford Johnson. Mayor Davis also voted for the award. Opposing it were Mrs. Betmece and Rutledge. Absent were Donald Farney, Cassmer Skulski, Steve Basarich, Arthur Wieser, Edmund Bartosiak and Joseph Civar. Alderman Vesel told the Press-Record yesterday he plans to question further the lift station and de-watering costs.

Alderman Schmittou presented the council with a bill from G. H. Sternberg Co. for an additional \$3131 for the track removal and right-of-way paving along 19th street, and stated he did not believe the added amount should be paid.

Schmittou said the contractor should have known the amount of concrete to be used and that only the original contract figure of \$13,349 should be paid. The council supported his action.

Points To Specifications

Contacted by the Press-Record Sternberg said the bid specifications prepared by the city engineering staff called for when a 12-inch layer of concrete along the right-of-way, but that when

the tracks were removed, it was discovered the ties were imbedded in concrete and that paving of the old trolley right-of-way required an 18-inch thickness of concrete.

At the outset of Monday night's meeting, Alderman Nomm posed two questions concerning the forthcoming \$10,000,000 revenue bond issue to City Atty. John Gitchoff, and asked that he possibly would seek an injunction to block the program.

Gitchoff agreed with Nomm's contention that the city could not spend city funds to improve the Nameoki drainage ditch which is owned by the East Side Levee & Sanitary District. Nomm said there was no agreement between the city and levee district for the work. (The city is hopeful the levee district will widen, pave and fence the ditch.) Nomm also, contends the item set forth for the bond issue are discriminatory, in that the amount varies.

In other action, the council approved a liquor bond for Barbara Williams, 1344 State street, to operate the Boundary tavern at that address. When questioned about her recent arrest under a little used law forbidding a woman, other than the owner or the proprietor's wife to tend bar, City Atty. Gitchoff said the case, he believes, still is pending; and Mayor Davis added that he had been there several weeks ago, when the arrest was made, to study the tavern operations.

A special meeting of the council was agreed upon for next Monday at 7 p.m. to go over with Comptroller John Doohar a draft of the city budget for 1962-63. City Atty. Gitchoff urged action on the budget by July 23.

ICC Approves Rail Crossing For A&S

(Special from Springfield)

The Illinois Commerce Commission today announced the granting of a petition submitted by the Alton & Southern Railroad for permission to cross a public road at grade in Namooki and Chouteau townships with the crossing construction to be at the sole expense of the railroad.

The roadways is located north of the Pontoon Beach area and south of Mitchell and is in the vicinity of a grouping of oil and gasoline storage tanks. The commission heard evidence in the case at Springfield on May 18, with witnesses testifying or being present in the interest of the railroad, the two townships, the Madison county highway department and the state highway department. Witnesses for the railroad testified as to increased railroad traffic requiring an additional track.

The evidence also disclosed the need of reflectorized crossbuck signs at each side of the crossing, and the commission agreed that public convenience and necessity required establishment of the crossing.

Included in the commission order was a provision that the ICC retain jurisdiction in order that it might enter further or additional orders as may be necessary.

Conservatism is the maintenance of conventions already in force. —Thorstein Veblen

Dr. William Bull

Receives Appointment

Mr. and Mrs. Everett Bull, 2332 East 25th street, have received word of the appointment of their son, Dr. William E. Bull, as associate professor in the chemistry department of the University of Tennessee at Knoxville.

Dr. Bull, a graduate of the Granite City high school, class of 1950, received his PhD degree in chemistry at the University of Illinois in 1957.

Roca Club Sets Car Wash

Roca Young Men's Club will hold a carwash Saturday at Branding's service station, Johnson road and Wabash avenue. The price is \$1.50 and funds will be used for club activities. The club is continuing its workday package program including car washing, lawn mowing and window washing on the outside of the first floor, according to a club spokesman.

I like to walk down Bond street, thinking of all the things I don't desire. —Logan Persall Smith

SETTLE FAMILY REUNION

Members of the Settle family of Granite City attended a family reunion Sunday in Paducah, Ky. About 55 attended, including residents of Dover, Tenn., and Little Rock, Ark.

Local residents attending were Mr. and Mrs. Ellis Mathews, Jr. and Mrs. Richard Mathews and daughter, Connie, Mr. and Mrs. Charles Hileman and children, Mr. and Mrs. Curtis Donley and Mr. and Mrs. James Settle.

MISS SMITH IS SHOWER HONOREE

Miss Carolyn Smith was honored with a linen bridal shower Tuesday evening at the Carpenter's hall, given by Mrs. Doris Carney and Miss Floy Smith. Games were played and prizes were awarded. Gifts were placed on a table decorated with white, blue and white streamers and a large wedding bell.

Granite City PRESS-RECORD

Page 16 Thurs., July 5, 1962

Guests were Mesdames Mary Ann Gargac, Barbara Dallas, Shirley Scarsdale and daughter, Donna, Jerry Peters, Ruth Moore, Frances Mikulas, Susan Thompson, Shirley Crane, Eva Kraus and Gusta Pendleton and Miss Eleanor Rickert.

HOSTESS TO CIRCLE

The Ruth Ford circle of Second Baptist Church held a regular meeting Tuesday evening at the home of Mrs. Dena Watson, with Mrs. Ruby Mayberry presiding. Mrs. Maxine Dacus led a program on "Communion."

Others taking part in the program were Mrs. Mayberry, Mrs. Naomi Rongey, Mrs. Georgia Mitchell and Mrs. Lena Stephens. Mrs. Roxie Sadler offered prayer.

Others present were Mrs. Evelyn Smith and a guest, Mrs. Watson's granddaughter, Miss Marilyn Mericle of Louisiana. A business session was conducted, and it was decided to furnish cookies for a Bible school.

ATTEND WEDDING

Mrs. Louise Daniels and her son-in-law and daughter, Mr. and Mrs. William Atchison of Chicago, returned Sunday night from Frankton, Ind., where they accompanied Mrs. Daniel's granddaughter, Debbie, and Donny Atchison home. They also attended the wedding of a granddaughter, Miss Sheila Atchison, to James Comer.

CLASS HONORS TEACHER

Golden Circle class of Second Baptist Church celebrated the July birthday of its teacher, Mrs. Maxine Dacus, with a picnic supper at Lee Park, Monday evening and presented her with gifts.

The meal was served after prayer by Norman Hessler, and a birthday cake centered the table.

Present were Mr. and Mrs. Hessler, Mr. and Mrs. Archie Lupardus and son, Rocky, Mr. and Mrs. Michael Turk and son, Michael, Mr. and Mrs. Melvin Leslie and daughter, Pam, Mr. and Mrs. Odell Lewis and children, Mrs. Lloyd Stinson and children, Mr. and Mrs. Mary Dacus and sons, Mrs. Jennie Bosworth and children, Miss Mildred Dacus, and the honoree.

WELTY TOLD THE STORY

"Come To Visit," and also led prayer.

The members made breakfast. Present were Kenny McKinney, Gail Lewis, Vickie Welty and Julie Whitson. Refreshments were served.

DRIVER IS CHARGED

An arrest ticket was issued Tuesday afternoon to Jesse Campbell, 59, of Alton, for failing to yield right-of-way. Police said his auto was involved in a collision at 19th street and Arizona at another driven by vehicle.

PLEADS NOT GUILTY

Ben Travis, 59, of 2237 Cleveland blvd., pleaded not guilty Tuesday to jumping on a road-side of a parking lot when his auto struck the rear end of another driven by Steve J. Komlos, 47, of St. Louis.

\$1711 Venice School Bond Cost Accepted Without Bids

Payment of \$1711 for a two-year \$250,000 Venice school treasurer's bond was approved Monday night. For a two-year \$500,000 bond, the Granite City school district had received a \$1043 low bid June 26.

The Venice school bond was awarded to the Fijan-Macrae Agency, Madison, and will be provided by the Maryland Casualty Co. No competitive bids were obtained. Supt. John O. Pier said in reply to a query.

Appointment of school treasurers, establishment of fund depositaries and approval of treasurer bonds are required of school districts under a new state law going into effect this month. The former township school trustee board and its appointed township school treasurer have been abolished.

\$1068 Cost In Granite City

The \$1711 figure exceeds the \$1068 bid accepted by the Granite City school board for a one-year \$100,000 bond. Granite City bids had been received at principal amounts ranging from \$500,000 to \$2,250,000. The successful bidder was the Holsinger Insurance Agency of Granite City, utilizing the United Pacific Insurance Co., Tacoma, Wash.

SELECT NAME FOR DAUGHTER

Diane Marie is the name selected by Mr. and Mrs. John Taylor, 3153 Jull avenue, for their daughter born July 1 at St. Elizabeth Hospital.

TWO-AUTO COLLISION

Minor damage was done Wednesday morning when two autos were involved in a collision at Felling and Nansauk roads. Police said George E. Wallace, 36, of 705 East Chain of Rocks road, was pulling out of a parking lot when his auto struck the rear end of another driven by Steve J. Komlos, 47, of St. Louis.

DRIVER IS CHARGED

An arrest ticket was issued Tuesday afternoon to Jesse Campbell, 59, of Alton, for failing to yield right-of-way. Police said his auto was involved in a collision at 19th street and Arizona at another driven by vehicle.

Marguerite A. Bladick, 52, of 2015 Cayuga street, Campbell released him on \$200 property posted his driver's license as bail bond. A hearing was set for next Tuesday.

THIELES HONORED ON 25TH WEDDING ANNIVERSARY

The twenty-fifth wedding anniversary of Mr. and Mrs. Lester Thiele was observed with a surprise party held in their home Sunday afternoon.

Arrangements for the surprise event were made by Mr. and Mrs. Robert Serini and daughters, Sharon and Sandra, the son-in-law, daughter and granddaughters of the honored couple. Mrs. Jennie York assisted Mrs. Serini during the party.

The basement of the Thiele home, where the party was held, was decorated in keeping with the occasion. White streamers, wedding bells and fresh flowers were used.

Mr. and Mrs. Thiele had motored to Coffeen, returning home just in time to find a number of relatives, friends and invited guests in the basement of their home at 1509 St. Clair avenue. The main table was adorned with fresh flowers, including red carnations and mums.

A cake made of three tiers, topped with silver leaves and a miniature bride and groom resembling the couple of 25 years before, served as the centerpiece. A silver guest book, which was signed by the guests, was presented to Mr. and Mrs. Thiele with a number of gifts which they opened. Movies were taken during the party.

The Thieles were married July 3, 1937, in St. Charles, Mo. They resided in Madison for a number of years prior to moving to Granite City. Mrs. Thiele will be remembered as the former Miss Helen York of Madison. They have the one daughter, Mrs. Serini.

Those honoring the couple with gifts and silver dollars were Mr. and Mrs. Robert Serini and daughters, Mr. and Mrs. Bud York and daughter, Kathy Mr. and Mrs. Louis Shudo, Mr. and Mrs. Joe Kowalski, Mr. and Mrs. August Schwartz and daughters, Janet and Doris, Mr. and Mrs. Robert Mischke and daughter, Margaret Ann, Mr. and Mrs. Glenn Spankile, Mr. and Mrs. Virgil Armbart and daughter, Margaret Ann, Mr. and Mrs. Ralph York and children, Gary and Sharon, Mr. and Mrs. Jimmy Gann and Mr. and Mrs. John Hoke of East St. Louis.

Friends and relatives unable to attend are still calling at the home to congratulate the couple. Cards and gifts have been received from a number of out-of-town residents.

YOUNG ADULT SOCIETY MEETS IN PARK

The Young Adult Missionary Society of the First Methodist Church gathered at the church Monday and motored to Wilson Park. Each member and her children had sack lunches which they consumed during the noon hour.

At the conclusion of a social hour, the lesson was given by Mrs. Avis Richardson, entitled "Responsibility to God." A discussion was held on forming a visitation group to call on various members or women interested in the church work.

A trip has been planned for Sept. 2, when the members are to attend the "House of Sunshine" in Litchfield. It is to be an all-day event.

HOME FROM ARIZONA

Misses Irene Hayes, Helen Skarrett, Pauline Cohan and Ann Pierson returned to their homes in Madison Monday after a two-week vacation. The group motored the ranch of Mr. and Mrs. Charles Green, Hereford, Ariz. Mr. and Mrs. Green are former residents of Granite City.

PAST NOBLE GRAND CLUB PLANS SUPPER

The Past Noble Grand club of Delroy Rebekah Lodge 786 met Tuesday evening in the home of Mrs. Geraldine Brooks, 2292 Gary avenue. Mrs. Ruth Hannebrink was co-hostess.

A short business meeting was held, with the vice-president, Mrs. Dorothy Gregory, in charge.

At the conclusion of the meeting, a social time was enjoyed by Mrs. Gregory, Mrs. Chloe Maxon, Mrs. Leona Rogers, Mrs. Dora Raab, Mrs. Lillian Holscher, Mrs. Minnie Perry, Mrs. Althea Gray, Mrs. Pearl Serini and Miss Margaret Brown. A luncheon was served prior to the adjournment.

The next meeting will be held Aug. 7 at the Odd Fellows hall, Madison, at which time each member will prepare a covered dish for a pot luck supper.

Father Of Residents Dies At Bonne Terre

Noah B. Boyer, father of Marvin B. Boyer and Mrs. Clarence (Lorena) DeGenna of Granite City, died yesterday morning at a Bonne Terre, Mo., nursing home. He was 88.

Survivors include five other children, Mrs. Carroll (Gladys) Drum, Denver, Colo.; Norman, Lincoln; Allen, St. Louis; Roy, Cadet, Mo.; and Harold, Highland.

Funeral services will be held Saturday morning from a Potomac, Mo., funeral home to an Old Mines, Mo., church, with interment at Old Mines.

War I Veterans Here To Attend Convention

Veterans of World War I of the USA, Burdick 34 and the Auxiliary met Tuesday evening at the VFW Post 1300 hall, with 54 present. The meetings were

conducted by the commander, Charles Hutchins, and the president, Mrs. Estelle McBrien. Committee reports were given and it was announced that a group will leave Thursday for the state convention in Aurora. Following the business meeting,

a social hour was enjoyed and a luncheon was served by Mrs. Zelma Hart and Mrs. McBrien. **Humane Officer Seeks Dog** Humane Officer Scott, Craycraft is seeking a black pointer

dog that bit a boy at Wilson park last night. He wishes to place the dog under observation for rabies. If it is not located, Slippy Hamilton, 13 son of Mr. and Mrs. William D. Hamilton of 3225 Rodger avenue, may have to undergo a long series of inoculations. The boy was bitten on the right thigh while watching the fireworks display about 10:30 p.m. The humane officer may be reached through the Granite City police department or through the operator at the city hall.

New Construction In GC During June Totals \$207,300

New construction in Granite City totaled \$207,300 during June when 68 building permits were issued by City Building Inspector Earl Bloomquist and City Clerk A. L. Stevens. The totals compare to June 1961 figures of 88 permits with a value of \$270,032.

Included among last month's construction permits were seven for new dwellings valued at \$107,000. Also issued were eight commercial permits, 39 for home improvement projects and 14 for garages and carports.

Among the permits issued late in June were three for houses valued at \$43,000. Two of the new home permits went to Lohmeyer Materials Co., Inc. for construction at 173 and 174 Briarcliff. Each of the brick veneer dwellings will cost \$13,500 and will contain five rooms. The other new home is to be

Granite City PRESS-RECORD
Page 22 Thurs., July 5, 1962

built by Frank Signaigo for a six-room tri-level dwelling at 3705 Fair Oaks drive, to cost \$16,000.

Two commercial permits were issued, one for an \$8500 garage and the other for a \$2000 warehouse. The warehouse, a 50x40-foot concrete structure, is to be erected at 2210 Nameoki road by Wade Baker. Jerald Shuter received the permit for the garage, a 30x40-foot concrete building at 2017 Edwardville road.

Home Repair Projects
Home improvement and repair project permits issued by Bloomquist amounted to \$17,181, while garage and carport permits totaled \$3985. William Franklin received a permit for installation of a \$2300 mobile home at 2618 West 22nd street.

Herman Kaimann received a permit for moving a \$4000 dwelling from 2928 to 2929 Myrtle avenue; Stephen Ziate received a permit for \$3000 in general repairs at 2137 Fourteenth street, and Raul Bell received a permit for installation of siding at 2137

Cleveland blvd. at a cost of \$2700.

Other home repair and improvement permits went to John Meise, 2118 Dewey avenue, \$1000; Harold Watters, 2801 Forest avenue, \$700; Jerry Esell, 3021 Willow avenue, \$500; McJinda Childers, 2901 Roosevelt street, \$431; Velmer Young, 2520 Madison avenue, \$501; Janice Davis, 2121 Washington avenue, \$1000; Eulle Rich, 3014 Washington avenue, \$1050; Jose Rojas, 1738 Olive street, \$400; R. W. Copeland, 2570 State street, \$400; and P. E. Mayes, 2114 Nameoki road, \$2000.

Garage and carport permits were issued to William Duckworth, 3012 Willow avenue, \$1285; William Scharf, 3324 Lydia lane, \$350; John Ames, 2701 Harding blvd., \$450; and John Butch, 3505 Johnson road, \$300.

Per capita consumption of milk and cream in the U. S. during 1961 was estimated at 316 pounds continuing the decline in milk consumption which has been evident since 1956, according to the Britannica Book of the Year.

Albert N. Rodeck, 67

Dies; Retired Carpenter
Albert Nelson Rodeck, 67, a retired carpenter, died at 2:15 p. m. Tuesday at St. Elizabeth Hospital where he had been a patient for 10 days. He lived at 2913 Hemlock street.

A Granite City resident for about 26 years, Mr. Rodeck was born in Rio, Ill. He is survived by his wife, Bessie; a son, Jack, Granite City; a daughter, Mrs. John (Dorine) Harper, a teacher

SOCIETY

WILL VISIT RELATIVES
Edward Martin, 907 Washington avenue, Madison, is motoring to Whittier, Calif., for a month's vacation with his daughter, Mrs. Gene Royle, and his son, Rudy Martin. Mrs. Royle is the former Helen Martin of Granite City.

Leonard, St. James, Mo.; and six grandchildren. Further information is given in today's obituary column.

**Family Reunion
Held At Park**

Mr. and Mrs. Harry Mann, 2502 East 27th street, entertained guests at a family reunion July 4 at Wilson Park.

Those present were Rev. and Mrs. Robert Mann, daughters Lynette and Charlotte, and grandson David; Lee of Mt. Carmel, Ill. Mr. and Mrs. Homer Morehouse and daughters Carmel and Glenda of Barre, Vt. Mrs. Jerry Theisen and daughter Joyce of Chicago, Frances Mangiaracino, Mr. and Mrs.

George Harriett, Dorothy Mann, Mr. and Mrs. Robert Ray and sons Pat and Mike and Mrs. Cora Cook, all of the Quad-Cities.

A picnic luncheon and supper were served to the guests.

GUESTS AT SAM MEYER HOME
Mr. and Mrs. Sam Meyer, 3832 Yale drive, have as their guests their son-in-law and daughter, Mr. and Mrs. Joseph Junker and their daughters, Cynthia and Stacey, of Philadelphia; Mr. Meyer's mother, Mrs. Anna Meyer of Falls Church, Va., formerly of this city, and an aunt.

Mrs. Lda Brachmann of Evansville, Ind.

Mrs. Anna Meyer will remain for some time while Mr. and Mrs. Junker and their family and Mrs. Brachmann plan to return to their homes next week. All were here to attend the wedding last Saturday in Wood River of Samuel G. Meyer and Miss Nora Langreder of Wood River. The ceremony took place at St. Bernard's Church.

The 11th annual Syracuse Regatta will be held at Onondaga Lake near Syracuse, Saturday, June 16.

Area Auto Injuries Averaging 59 Monthly

Quad-City traffic injuries have
reached 354 for the first half of
1962, a pace faster than that set
in the record year of 1960, when
there were 351 after six months
and 805 at the end of the year.
During 1961, 394 injuries were
recorded in the first six months,
with the year-end total dropping
slightly to 799. Normally, the local
traffic toll is most severe in the
second half of the year than in
the first half.
The 354 total was reached with
a tally of 59 persons hurt in
June. The monthly average thus
far this year also is 59, com-
pared to a monthly average of
66 for all of last year.
Crashes Averaging 185
The 115 accidents during June
increased the total for six
months to 812.

June Traffic In Quad-Cities

Accidents	Injuries	Deaths
1962	115	59
1961	130	81
1960	124	51
1959	114	52
1958	99	55
1957	100	42
1956	104	38
1955	148	82
1954	95	28
1953	69	23

months to 812. With 185 in Jan-
uary, 108 in February, 143 in
March, 142 in April and 119 in
May, the average is 135, or only
slightly under the average of 137
for all of last year.
January-June collisions of 812
compare with 821 in similar
time in 1961, 843 in the first
half of 1960 and 829 in the first
half of 1957. Other January-June
periods showed lesser amounts,
including 694 in the first half of
1958 and 766 in the first half of
1959.
The yearly record of 1731 was
set in 1960, and last year's figure
was 1653. There were 1637 mis-
takes in 1957, 1625 in 1959, 1572
in 1958, 1542 in 1956 and 1476 in
1955.

PROCLAMATION

WHEREAS, Methodist
churches of the Quad-cities area
are an integral part and partici-
pate actively in the program of
the Southern Illinois Conference
of the Methodist Church univers-
al, and
WHEREAS, laymen of the
Southern Illinois Conference are
sponsoring a "Methodist Hol-
iday" event on July 14 at the
De Quin State Fair Grounds, to
which all the people who wish to
attend are welcome, and
WHEREAS, the enlarged
understanding and inspiration
among citizens who respond to
their invitation will be of benefit
to all;
NOW, THEREFORE, We, the
mayors of the local communities
do hereby proclaim the day of
Saturday, July 14 to be a "Method-
ist Holiday" in the Quad-cities
and urge local residents to at-
tend.

City Salaries And Bills - \$50,532

A week's bills and half-month
salaries totaling \$50,532 were
approved Monday night by Gran-
ite City council members. The
bill list amounted to \$14,779,
while the salaries for the first
half of July totaled \$35,753.
Included on the bill list were
payments of \$1254 to East St.
Louis & Interurban Water Co.
for monthly rental on 342 fire
hydrants, \$1985 to Illinois Pow-
er Co. for street lighting, \$235
paid to Leo Kamadulski for
weed cutting, \$81 to the Grand
Cafe for meals for city jail pris-
oners.
City Engineer David J. John-
ston was paid \$5000 for services
in preparation of final plans for
the Namooki road improvement
from Washington avenue to
North street; and \$3696 was a
paid to the Illinois Municipal
Retirement Fund for April, May
and June. Maintenance, parts
and fuel for city equipment cost
\$750.
Allowances on the bill list

Included \$193 for Mayor Davis, \$30 for Alderman Edmund Bar-
tosiak and \$30 for Alderwoman
Mrs. Gabrielle Bettine.

'Saw Solo' Feature At Next Outdoor Concert

The third program in the
"Music Under the Stars" summer
concert series will be pre-
sented Monday evening, July 9,
at 8 o'clock at the 27th street and
Delmar avenue entrance to Wil-
son Park.

The program will feature the
initial appearance of a newly-
organized junior high school
chorus, which will present "Deep
an Eye on Me" and "Reeling
Hills" by Don Gutfenson, "Rock-
in' Red Wing" arranged by
Simone, and "Santa Lucia" an
Italian folk song. Soloists with
the group are Sharon Koch and
Ray Voorhes.

The 65-voice adult chorus,
which last "Music Under the
Stars" program attracted an es-
timated 1500 persons, also will
participate in Monday's program,
joining the junior high group in
"Born to be Free" by R. E. Wil-
liams. Accompanist for both
groups is Donald Bloomquist.
Three university students or
recent graduates will be soloists.

Monday night. They are, June
Nightwine, soprano, and gradu-
ate in music from Southern Il-
linois University; Freely Il-
linoiser, baritone horn and a ju-
nior in music at the University of
Illinois; and Robert Ruckriegel,
flutist, also a junior in music at
the University of Illinois.

Unusual Solo
An unusual feature during the
evening will be an instrumental
solo, "Intermezzo" from "Caval-
leria Rusticana" by Mascagni,
played on the sax by Waldo
Frohhardt, local cellist who first
began playing the saw in his
youth.
The evening program will con-
clude with another of the audi-
ence "sing-alongs," which have
been popular with those attend-
ing the free concerts, sponsored
by the Granite City park district
and directed by Warren Simp-
kins.
Walter "Jack" Johnson will be
at the organ for the "sing-along,"
and Al Stevens Jr. will serve as
program announcer.

Public Housing Rentals In Area At Near Capacity

Public housing in the Quad-
Cities is not following the na-
tional trend. Recent reports state
that there is an unusual num-
ber of vacancies in public hous-
ing units across the nation.
In Granite City there are 451
units in the Kirkpatrick Homes
project and 100 units under con-
struction at the end of Edwards
street and East 25th street.

Kirkpatrick Homes is filled
virtually 100%. According to
David Morgan, executive direc-
tor of Granite City Housing Au-
thority, there is always a wait-
ing list. The only delays in fill-
ing the units arise from main-
tenance problems and getting
units cleaned, he said.

According to Morgan, the
only time Granite City has a
batch of available apartments is
when soldiers are moved from
the Granite City Engineers De-
pot. Then there may be as many
as 10 available, he said, but they
are filled in short order.

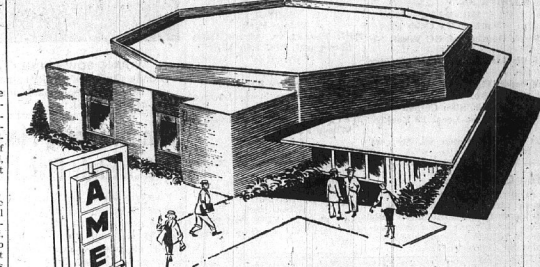

One-bedroom apartments are
the most popular, he said. These
are in demand for the elderly.
The situation is similar in
Madison and Venice, according
to Dute Braner, executive direc-
tor of Madison County Housing
Authority.

Madison has 165 units at
Greiner Homes and Glenview
Homes, Venice has 187 units at

Venice Homes, Lee Wright
Homes and Viola Jones Homes.
Braner said there is no trou-
ble keeping the units filled and
that maintenance and cleaning
between rentals cause his only
delays. He said the one and two-
bedroom apartments are the
most popular.

YOUNG BOWMEN paste away at targets during archery session which is a part of Granite City park district's sports camp for boys. No camp is being held this week, but five-day sessions are planned during the weeks of July 9, 16 and 23, provided a sufficient number of boys enroll.

Rainouts Force Mercer, Sacred Heart To Schedule Five I-C Doubleheaders

Five late season doubleheaders are face the two Granite City entries in the Southwestern Illinois Inter-City Baseball league as the result of rainy Sunday afternoons earlier in the year. Three of the twin bills will involve Sacred Heart, which will play Pochontas twice here on Aug. 5, have a doubleheader against Maryville at Wilson Park on Aug. 19, and travel to Collinsville on Aug. 26. The other two rainouts are expected to be set at the I-C's next regular meeting in Carle, Friday, July 20, league President Vernon Lucas reports.

The Aug. 5 contest between Pochontas and Sacred Heart, which has been rescheduled for Saturday night, Aug. 4, under the lights at Fletcher field in Collinsville.

Dates of the unscheduled postponed games of June 24 here expected to be set at the I-C's next regular meeting in Carle, Friday, July 20, league President Vernon Lucas reports.

The Downstate Fisherman

By PETE BROWN

THE DOWNSTATE FISHERMAN'S GUIDE

By Pete Brown
(Compiled by the Southern Illinois University Information Service from area reports.)

Old hands at the Southern Illinois Horseshore Lake report a pickup in crappie fishing even though the state Conservation Department's weekly "Fishing Roundup"—based for the most part of spot censuses—rates activity as "slow." The veterans are working the single trees in the middle of the lake for some good strings.

Catch basin is giving blugill and crappie anglers another spirited run but one gate has been opened and fishermen are sweating out the drizzle. This problem seems to occur, inevitably, just when fishing in the cutoff is at its best.

Some improvement in bass fishing is apparent at Crab Orchard Lake as the search has moved into deeper offshore holes. Crappie fishing has declined overall.

Gary Meyer of Belleville chalked up a Devil's Kitchen Lake record with a six pound nine ounce largemouth hooked on a plastic worm. Meyer and partner took 20 others on a trip, all in the one to two pound range. Other bass catches up to three pounds continue to show up and blugill fishing remains steadily fair.

Jerry Brinkley of Kilmory took the field at Grassy Lake with a six and three-quarter pounder on a plastic worm, but bass fishing success per man has been generally slow. Ed King, Whittington, took three totaling 11 pounds (Hoot) and John Wright, Carbondale, nudged a four and three-quarter pounder on a popper, the only catches of above-standard dimension. Crappie fishing has been quite good; Ray Patterson of Malesda brought in 50 large ones.

Catfishing appears to be the week's best bet. The blizzard harvest at Grassy has been good and channel cats are still big news at Murphysboro. Carl Wheat, DuQuoin, hooked a six and a three; Gene Williams, Wolf, Le, picked up a five pounder, and Don Pellegrini, Murphysboro, strung up three at three pounds apiece.

Another encouraging report comes from Marion City Lake where blugill and bass fishing is rated "good" to "better." The lakes blugill population is considerably above average in terms of individual size for this area. The lake is west off route 37 about five miles south of Marion.

Two researchers from Southern Illinois University's Cooperative Fisheries Research Laboratory are wrapping up one of the first projects undertaken at the lab's new experimental ponds—a comparison of channel cat food preferences. The test is being run on crayfish and topknots, two commonly available staples in the channel cat's environment. Results of this study, along with some companion projects involving channel cats could be of considerable practical value in view of interest in commercial catfishing.

New Efforts To Maintain Two-Party System In County Can Aid All Residents

Because the two-party system is essential for good government, all Madison county residents should benefit from increased participation in precinct-level politics. We note that 100 attended a June workshop for training of committeemen and committeewomen in fundamentals of precinct organization.

Renewed efforts by the GOP faithful are of particular interest in a county where prospects of success have plummeted so low that primary ballots failed to list a single candidate for most offices. Even as late as this week, party leaders were attempting to locate a willing candidate for county superintendent of schools in the general election.

Few would predict early or even reversal of a county political trend dating back 25 or 30 years, but it is clear that the minority party must continue trying, and must offer energetic, able candidates.

Experience regionally and nationally has shown that democracy works best when voters have a choice of candidates in both major parties. The same principle applies to the Madison county Republican-dominated Illinois counties, where Democrats need to remain active even though outnumbered.

Square Dancers Effective Good Will Ambassadors For This Community

Quad-City square dancers served as outstanding good will ambassadors for this community at the national square dance convention in Florida, calling favorable attention to both the quality and quantity of the local instruction. Their success merits financial support if it is needed in order for them to attend major regional or national events in the future.

With 800 youngsters graduating from Granite City park district square dance classes in a single year, and members of the local advance square dancing group demonstrating a high level of proficiency and versatility during a gathering of the top units from throughout the nation, the claim that this is the "square dance capital of the United States" has been strengthened.

From our point of view, this is better than having the twist capital, though the local group's creation of the "square dance twist" indicates that "progress" cannot be entirely halted.

Maxvill Winning Praise For Spirit As Well As Hitting, Fielding Ability

A hitting edge might be enough to discourage some major league baseball rookies, but Dallan Maxvill of Granite City responded well during recent professional play, following up with several sparkling plays in one game and collecting two hits in the friendly.

The three errors, interestingly, were attributed not to poor fielding but to too rapid fielding and a touch of over-eagerness. "We know he is a major league player. We'll just have to show him down a little," Manager Keane commented.

A league-leading batsman in the minors who already has been described as the best fielding shortstop in the minor leagues, Granite City's young college graduate appears to have bright prospects, despite the temporary problems that seem to plague every big league newcomer.

Gasoline On Boats -- 'Handle With Care'

(Sixth of a series)
Half a cup of gasoline cannot be as explosive as a cup of dynamite.

This information and other safety tips are being pointed out by the committee for National Safe Boating Week, being observed through the weekend of Saturday, July 7, and Sunday, July 8.

To prevent an explosion on pleasure boats operated by Quad-Cityans, the committee says, "Most important of all, do not smoke."

"Put out all flames and shut off all spark-producing machinery," the committee says. "If the nozzle or fill can be in contact with the gasoline tank to prevent static spark. Do not use a pump to fill the tank completely."

"Aboard outboards with removable tanks, remove the tank from the boat before refueling. If the tank is not removable, use a bucket or a siphon to transfer the fuel to a container on the shore."

"If you are on a boat, keep the bottom of the tank clean, keeping them as close to the centerline as possible, head your boat into the waves and reduce speed."

"Should your motor fail, or if an outboard motor is being used, make headway, attach a sea anchor from the bow to keep your boat from being blown down by a wave or a current."

"If you are on a boat, keep the bottom of the tank clean, keeping them as close to the centerline as possible, head your boat into the waves and reduce speed."

Farm Column

By TRUMAN W. MAY

Madison County Farm Advisor

Sometimes sweet clover will grow unexpectedly in a field, especially in alfalfa, and a farmer may think it came from alfalfa seed contaminated with sweet clover. That's possible, of course, but most alfalfa seed of the alfalfa varieties is produced in irrigated areas of the far west, where no sweet clover is grown.

A more likely reason is that the hard seed of sweet clover may stay in the soil for many years before it germinates. The sweet clover actually comes from sweet clover that has matured on the field sometime in the past 10 or 15 years.

In an experiment in North Dakota in which a field of sweet clover was allowed to mature and seed, sweet clover was still vernalizing 14 years later without re-seeding.

So if you have sweet clover in your alfalfa, think back over the past cropping history of the field. Do you recall any alfalfa seed?

For the first time wild animals are becoming a more important source of rabies than domestic animals. According to Dr. George T. Woods, University of Illinois public health veterinarian.

Of the 163 rabies cases reported in Illinois last year, 126 involved wildlife. Of this number, 95 were skunks.

Recently we reported in this column the loss of a bull from rabies on a Madison county dairy. It was apparently caused by a skunk bite.

The number of rabid skunks is alarming because of the growing popularity of skunk as pets. During 1957, there were about 21,000 pet skunks in the United States. Authorities say this number is increasing 10 to 15% each year.

According to Dr. Woods, some wild animals are more susceptible to rabies than others. Tests indicate that opossums are extremely resistant to rabies. Raccoons are less resistant, followed by skunks and then foxes. Dogs are the most susceptible of the five animals.

Stay away from wild animals. Do not handle or appear friendly. Wild animals instinctively avoid people unless they are ill.

If you own a dog or cat, protect it and yourself by having it vaccinated for rabies. If your dog is bitten by an animal, wash the injured area thoroughly with soap and water. Report all bites to your physician immediately.

The rapid growth of a legume crop somewhat resembling alfalfa, called Berseem clover, is attracting some interest in its use for hay and silage.

Rudy Koppler of Ft. Russell township sowed it May 9 and in six weeks it was 15 inches tall. Berseem has long been a major forage crop in Egypt, India and other countries. It has some resistance to frost and drought. Because of its very vigorous early growth and good recovery, its main use has been for green feed or hay and for green manure. It seems to be a good feed for cattle and horses.

Your Governor Reports

by OTTO KERNER

GOVERNOR OUTLINES HIGHLIGHTS OF 1962 ILLINOIS STATE FAIR

Brochures describing the many attractions to be seen and enjoyed at the Illinois state fair Aug. 10-16 have been prepared and are being distributed throughout the state. The brochures include a blank which fair-goers will find convenient in ordering tickets.

The enlarged plans for free, interesting exhibits comprising the Director Ralph Bradley and Fair Manager Franklin Rust, and the looking of top name stars of screen, stage and television, hold the promise that the 1962 fair will have unusual attractions.

Harness racing will again be one of the big events of the fair the afternoons of Aug. 11 and 12-13.

Read "Skilton To Appear" The shows in front of the grandstand at night will feature great stars as Red Skilton, making the first appearance of his career at any fair in the state.

Auto and motorcycle racing will be sponsored the final two days of the fair, and you want to see auto thrill show will follow the

CITY SHOULD RESOLVE DEPENDABLE GARBAGE COLLECTORS TO JOBS

To the Editor:

I would like to put in my two cents worth. I have noticed that the city can't live with himself after what he and his gang pulled over to with the garbage.

The men whom he had the trucks were so dependable that everyone in town could count on them to come and do their work right.

I hope Mr. Davis will come day

Salute To The Custom Of Old Family Reunions

By JOHN W. ALLEN

Southern Illinois University Practices and customs come and go, or at least they appear to. But how much of this old custom is still left?

There were numerous other groups that regularly reunited, but the Water Police Review and the early settlers, those belonging to a particular church or community, members of fraternal organizations, etc. Through the years these reunions have largely turned into conventions.

Through any increase or decrease of reunions that of the family has continued. It is a form, a somewhat grim one. Strangely, funerals have helped to keep the family reunion alive. After all, almost any funeral, in addition to being a sad occasion, is a family reunion.

Some families are returning to the practice of holding voluntary gatherings, not necessarily with the family, but with friends and neighbors. Both were what would be termed the ordinary garden variety reunions. The events attended recently were most enjoyable.

The mere fact that a family holds a reunion is a measure of family pride and loyalty. It is a deliberate indication that one of these meetings to become acquainted with a sturdy young man of 15, the first generation of the family to be personally known, and to observe the traits

bring back the good old days, with the garbage trucks and the men we had.

Pvt. Billie M. Rixie Assigned To Germany

Army Pvt. Billie M. Rixie, 19, son of Mrs. Mable Garrison, 714 State Street, Madison, recently has been assigned to the 30th Engineer Company in Germany.

Six Area Scout Troops To Leave For Summer

Six of nine Boy Scout troops leaving for Camp Sunnen, Pottsville, Pa., will be from the Quad-Cities area.

Local groups going are: St. Elizabeth's Holy Name Society Troop 3; Webster School PTA Troop 20; St. John United Church of Christ Troop 21; Avenue Methodist Church Troop 22; Mitchell School PTA Troop 23; and Central Christian Church Troop 24.

They will be joined at Sunnen by the one-room country school, officially School District 82, Sardinia County, otherwise "Hardacre" would come. It's time to meet, and chat with them about the incident that occurred a few days ago.

Why not more reunions? Conventions can't take their place.

More UF Workers Than Predicted In June

Division and section chairmen of the Tri-City Area United Fund probably will be chosen this month, UF Executive Director John Solenberger said this week.

The workers will serve under Campaign Chairman John McBride, vice-president and general manager of Union Star and Refining Co., and Vice Chairman E. A. Karandjic, president of Granite City Trust & Savings Bank, to mobilize the UF campaign. The action will complete a chain started in February with a meeting open to UF contributors at which a UF board of directors was elected.

The board selects officers who handle general administrative work through the coming year. This year's president, Sidney L. Aubrey, in turn appointed admissions and distribution committee members whose job it is to hear applications and to consider the budgets of participating agencies.

The 11-man executive committee, consisting of the UF officers, three board members appointed by the president, and past presidents, handles administrative details between board meetings, convening perhaps as often as once a month. It appoints the campaign chairman and vice-chairman. As chairman, McBride will be responsible for naming division chairmen. They in turn name those to work as section chairmen.

City Approves \$22,196 Fire Truck Purchase

Acting on a recommendation by Fire Chief Elijah King, Granite City council members approved the purchase of a \$22,196 Ford chassis from R. E. Hohl, Inc., with Towers Fire Apparatus Co., Freeburg, to build the 1000-gallon fire truck pumper at a cost of \$15,015. In taking the recommendation, the council turned down a lower bid for the chassis in the amount of \$7119, submitted by Brewer Motor Co. for an International truck.

The total cost for the new truck amounts to \$22,196, to be included in the new city budget, slated for adoption this month. Bids for completed fire trucks, both on similar Ford chassis, submitted by Central Fire Truck Co., St. Louis, \$23,508, and American Fire Apparatus Co., Battle Creek, Mich., \$23,800.

Chief King said he preferred the heavy duty Ford chassis and engine, because of speedy replacement of parts.

Girl Scouts Selected To Report On Roundup, Camp

Girl Scouts who will be attending the International Girl Scout Senior Roundup in Vermont and the "Badger Bivouac" in Wisconsin this month will have among them accredited news correspondents and photographers who will report on local girls' activities.

Correspondents for the Quad-Cities area will include P. M. Bradley and Catharine Parker, and Mary Jane Zimmerman, photographer, who will be attending the roundup at Button Bay State Park in Vermont.

Girl correspondents for the bivouac at Camp Norweco at New Auburn, Wis., will be Linda Osuchowski and Kathy Brave and the photographer will be Norma Rivenburgh.

The Senior Girl Scouts will leave July 17 for Vermont and on July 22 for the Wisconsin camp.

Daughter Born To Cpl. And Mrs. Nichols

Mr. and Mrs. Edward B. Nichols, 3014 Madison avenue, have received word of the arrival of their first grandchild, a girl, born June 29 to Marine Lance Cpl. and Mrs. Terrell E. Nichols of Oceanside, Calif. The infant, whose weight was seven pounds, has been named Naomi Ruth.

Mrs. Nichols is the former Linda Gaddie, a daughter of Mr. and Mrs. Dan Gaddie of Division street. The baby's paternal great-grandmother, Mrs. Iva Nichols, has been in Oceanside for the past month and will remain several weeks longer.

Traffic Accidents Fewer Than Predicted In June

The most likely time and place to have an automobile accident in Granite City is between 5 and 6 p.m. on a Friday on Madison avenue.

During the month of June there were 77 traffic accidents in the city. The police department had predicted 81. Ten of the accidents occurred between 5 and 6 p.m., making the busiest hour of the day, and 33 of the accidents occurred on a Friday making that the busiest day of the week. Twenty-one accidents occurred on Madison avenue.

There were more arrests for moving violations in June than during the previous month. Police made 125 arrests for moving violations compared to 84 in May.

The total of 77 accidents was an improvement over May, however, when there were 82.

Accidents for the month included 14 personal injuries, one involving a pedestrian, and no fatalities. Thirty-one persons involved in June accidents were arrested on various traffic charges.

During the first six months of the year there were 510 accidents, 138 injuries from traffic accidents and two fatalities.

Last year during the same period there were 532 accidents, 184 injuries, and three fatalities.

40 AT CLUB MEETING

The Horseshoe Lake Road and Club held a monthly meeting Sunday, about 40 members attended.

The owner of the club, Virgil Layton, has taken the club to run again, it was announced. Mr. and Mrs. Wilson Delaloye had been operating the club for him for a year.

Mr. and Mrs. Loman Lankford have had as guests from South-east Missouri Lankford's sister and brother-in-law and their children.

Mr. and Mrs. Russell Robinson had their nephew, Roger Silver Jr., as a weekend guest. Also, they entertained on Sunday Mr. and Mrs. William Sinclair and sons, John, Billy and Kenneth of Lemay, Mo.

Mr. and Mrs. Joseph O. Robinson and Mr. and Mrs. Don King and son, Donnie, went to Carlyle and Keyport, Ill., Sunday looking for a camping site for their coming vacation.

Circuit Court Completes 96 Cases During June

Circuit Court Clerk Willard Port reported this week that 96 cases were completed in the court during June and that 130 new cases were filed, with 1895 pending at the end of the month.

Of the new cases filed last month, 24 are to be heard by a jury and 106 are non-jury. Those closed in June included 36 jury demands and 60 non-jury cases.

Ex-City Workers Preparing To File Injunction Appeal

Notices of appeal will be filed within the allotted time — probably this week — on a denial of injunction sought by Granite City sanitation department employees seeking to halt the start of garbage and trash collection by a private contracting firm, according to William Cox of the Wood River law firm of Cox, Smith and Bassett. The firm represents Teamsters Local 525 in the case.

Because there is no precedent in the case, the firm believes it has grounds for filing directly with the Illinois Supreme Court. "Because of the unique nature of the case," Bassett said, "we feel the court will attach a 'certificate of importance' to the appeal, signifying that it is a matter of public interest and that there should be an interpretation of the law in this matter."

Circuit Judge Joseph Barr told the Press-Record recently the denial of appeal was based on Illinois law in which a municipality may not enter into a continuing and binding contract, even though evidence showed Granite City has had a contract with the Teamsters for a number of years and also has contracts with other unions.

The city has entered into a \$147,500 a year, three-year contract with a private firm, United Disposal Co., St. Louis, for trash and garbage pickup starting today. The action eliminated jobs for 19 sanitation department workers, who will be replaced by five men employed by the private concern.

In their request for an injunction, the former city employees and Teamster Local 525 pointed out the contract was awarded without a call for sealed bids. However, that phase was not made a part of the petition. In his ruling, Judge Barr said the working agreement between the city and the union was not binding.

Chicago Firm's Offices In Edwardsville To Move

The offices and title plant of the Madison County office of Chicago Title & Trust Co. will be moved from its present location at 112 Hillside avenue to new quarters at 241 North Main street, Edwardsville, over the weekend of July 6-7. The company will be open for business at the new address on Monday morning, July 9 at 8:30 a.m.

The company also has offices at 2021 Edison avenue in Granite City. An open house will be held Thursday, July 19, from 3 to 8 p.m., marking formal opening of the new Edwardsville offices, which offer a more efficient operation with adequate space for separate abstract, typing, comparing and examining areas, according to Madison county office manager John A. Crook.

\$117,000 School Bus Program Cos. During Past Year

Granite City schools' bus transportation program, currently under study in an effort to effect economies, cost \$117,880 during the 1961-62 school year, an annual report discloses. The district had budgeted \$122,000.

Of the total, the school system has submitted a claim for \$45,000 in state transportation aid. The transportation cost an average of \$666 a day for each of 177 days during the school year. Included in the \$117,880 total was a \$1158 payment to the federal government for bus service it provides for children residing at the Engineer Depot.

Route costs included \$2,978 for Granite City high school, \$18,457 for Frazer Junior high school, \$11,814 for Condit Junior high school, \$10,623 for Mitchell grade school, \$9,728 for Pittsburg grade school, \$7,228 for Central Junior high school, \$5,668 for Maryville grade school, \$5,579 for Logan grade school, \$5,551 for Lakes grade school, \$3,747 for Frohardt grade school and \$1,993 for Nameoki grade school.

Transportation of educationally handicapped children amounted to \$657, and bus service for the Logan grade school lunch hour cost \$1504.

Special transportation costs totaled \$632 at the high school level, \$545 elementary and \$515 junior high. The district spent \$2156 on high school athletics transportation and \$1941 on buses for junior high athletics.

Taxicab service totaled \$502 and transportation to an East St. Louis sight school reached \$344.

natural gas
for heating is
available
to all customers!

Natural gas has been in short supply for many years due to the great demand. To meet the demand, Illinois Power has spent millions of dollars developing three underground storage fields in this area capable of supplying huge quantities of natural gas during periods of high demand on pipelines.

These new facilities make it possible for Illinois Power to release heating permits to all customers in this area who desire natural gas heating. Permits are also available for commercial and small industrial customers.

The sooner you apply at our office, the sooner you will be assured of enjoying the many advantages of money-saving natural gas heat this coming winter.

GC Township Relief, Bills Total \$4427

Township disbursements totaling \$4427 were approved Monday night by Granite City council members in their capacity as the town board of auditors. Of the total, \$3324 was for relief and \$1093 for low payees.

Relief fund expenditures included \$75 office rent paid to William Baker; \$270 for an air-conditioning unit bought from State Radio & TV shop; \$312 half-month salaries for two office workers; \$4 for supplies; \$10 for utilities and \$2728 for insurance, all for the supervisor office.

General assistance costs included \$25 transportation and \$6 meals for returning a relief patron to Kentucky; \$272 rent; \$54 utilities; \$1350 for food; \$76 for medical care and \$18 paid to East St. Louis township.

Town fund disbursements were \$2 for light bulbs, \$11 for paper towels, \$32 for utilities, \$16 for janitor service, \$75 for rent, \$480 for salaries of four deputy assessors, all for the assessor's office; and \$882 half-month salaries for officials.

Illinois Police Board Accepting Applications

Qualified candidates who wish to become members of the Illinois state police may apply until Aug. 31 to the State Police Merit Board, according to Chairman L. F. Tomlinson, West Frankfort. Applicants must be 21-35 years of age at the time applications are accepted and must possess either high school diplomas or high school equivalency certificates from county school superintendents. They must be at least five feet, nine inches tall without shoes but not over six feet, four inches. Their weights must fall within standards for their heights.

Application blanks may be obtained from state police district headquarters or from the State Police Merit Board, Centennial Building, Springfield 1. They should be forwarded to the board when completed.

State Approves 3 MFT Street Projects In GC

Placed on file with the city engineering office were three letters from the state division of highways approving expenditure of motor fuel tax funds for three street projects. The action was taken during Monday night's meeting of the Granite City council.

The engineering staff is to prepare specifications for an estimated \$40,000 asphalt paving project for Maryville road from Pontoby road to the city limits and for asphalt resurfacing in the 2900 block of Delmar avenue, estimated to cost \$15,000, and a similar project for Edison avenue from 24th to 27th street, estimated to cost \$40,000.

Local Army Man Completes Cannoneer Training

Army Pvt. Robert E. Gipson, 23, whose wife, Donna, lives at 1430 Iowa street, completed eight weeks of advanced individual training at the Field Artillery Training Center, Fort Sill, Okla., recently.

Gipson was trained in the duties and responsibilities of a cannoneer. He received instruction in the loading, firing and maintenance of artillery guns, howitzers and heavy machine-guns and in artillery communications and ammunition handling and storage.

Gipson entered the Army last January and completed basic training at Fort Dix, N. J. He is a 1956 graduate of Madison high school and was employed by Virginia-Carolina Chemical Corp. in East St. Louis before entering the Army. His parents, Mr. and Mrs. James L. Gipson, live at 1611 Third street, Madison.

GC Student In Training At Army ROTC Camp

Granite Cityan Warren W. Friedman is among 1900 cadets reporting for summer training at the 1962 Army Reserve Officers' Training Corps camp, Fort Devens, Mass.

The son of Dr. and Mrs. David Friedman, 2822 State street, he is an English major at Yale University, New Haven, Conn.

This is the seventh consecutive encampment at New England's largest military installation. From June 23 to Aug. 3, Friedman will receive intensive training and practical experience in tactical, technical and administrative duties. The program leads to a commission as a second lieutenant in the U. S. Army reserve or regular army upon graduation from college.

MR. AND MRS. HERMAN FIEDLER, 2313 Lincoln avenue,
who recently celebrated their 50th wedding anniversary

SOCIETY

**Legion Auxiliary,
Unit 113, To Honor
Past Officers**

The Past Presidents of the American Legion Auxiliary, Unit 113, met Monday evening, Mrs. Lucille Cooper was in charge, and after the business session games were played with awards going to Mesdames Martha Montague, Ethel Petri, Cooper, Dollie Brewer, Edna Branscomb, Euretta Robinson, Edna Toth, Ada Dishong, Loretta Goeller, Rose Metro and Ella McKittrick, Mrs. Georgia Kramer received the special prize.

The past presidents and the past commanders will be entertained at a barbecue given July 15 from 4-6 o'clock at the Legion home by the Unit. Approximately 25 attended Monday's meeting.

MR. AND MRS. FRANK SCHWERTMANN at the reception which followed their wedding Saturday afternoon, at Trinity Methodist Church. The bride is the former Barbara Joan Voss, daughter of Mr. and Mrs. Earl C. Voss, 2425 Adams street.

VACATIONIST RETURNS

Mrs. Bethel J. Davis of State street, has returned from a month's vacation. While away she visited her son-in-law and daughter, Mr. and Mrs. Maurice O'Connor and family in Arlington, Va., and attended the christening of her youngest granddaughter, Candace Carson.

They are shown on the left in a photograph taken when they were married and on the right in a recent picture.

O'Connor. A trip also was made with Mrs. O'Connor and her children to Jacksonville, Fla., Heights, Fla., and Washington D. C. where they were guests of Mrs. Davis' son, Lt. Cdr. Robert J. Davis, retired, and family. Lt. Cdr. Davis will be graduated in December from Jacksonville University.

**LUTHERAN MISSION
GUILD WILL MEET**

Local Lutheran women have been invited to attend a regular session of the Mission Guild to be held next Monday at Holy Cross Lutheran Church in Collinsville. Luncheon will be served at 12:30 and women of the Lutheran Church, Missouri Synod, throughout the area will attend.

Mrs. Robert P. Hart of Cahokia, president, will be in charge and the highlight of the meeting will be a film to be shown by Rev. David N. Brammer, executive secretary of Social Welfare for the Southern Illinois District, and a talk on progress in welfare work.

YOUR
BUDGET

Right now we're giving you a

DOUBLE

chance to save on a Plymouth or Valiant!

This could be your big inning. You can score and save right now! At bat is Plymouth, leader of its league, with prices as much as \$172* less than Ford, \$46* less than Chevrolet. On deck is Valiant, King of the Compacts, featuring America's lowest-priced hardtop with bucket seats. And these are just normal starting prices! It's like paying for a bleacher seat and sitting in a first base box, because right now we have loaded the bases with unusually high trade-in allowances. Would you like to be the clean-up hitter? Come in today and take your cut!

*Based on Manufacturers' Suggested Retail Prices for the lowest-price available 6-cylinder, 2-door sedans in Plymouth Savoy, Ford Galaxie, and Chevrolet Biscayne series. Heater is not included in price comparisons. Bumper guards, wheel covers and whitewall tires extra.

Just get in your old car and
